The success of the Elk Grove Swim Team Boosters, Inc. depends upon the skills, talents, energy, and time commitment of the Board. We are looking for highly engaged individuals who are willing to commit to a 2-year term (minimum) to serve on our Board.

Board members are the structural foundation of our organization and are the primary contributors to implementation of the many programs and activities we offer. We believe in working as a group, taking on specific assignments, and executing those assignments with care, diligence, and timeliness. Please recognize that Board members are dedicated individuals and are often called upon to serve more than the standard volunteer requirements. In addition to attending 1-2 Board meetings per month with a minimum 80% attendance rate, Board members are responsible for set up, organization, and take down responsibilities at each of our swim meets. Board members are the key communication conduits with our families and must always maintain patience and a respectful demeanor. Finally, one of the requirements of being a Board member for our program is that you have a swimmer participating in our program and no other swimmers on competing teams/programs.

We very much appreciate your interest in serving on our Board and recognize it takes special individuals to want to volunteer in this capacity. To determine if our needs match your skills, please attach a resume or curriculum vita and/or answer questions below if not already covered in attachments. Use as much space as you like:
