# DREW'S STORY

Drew Panetti is a 29 year-old who was raised in the Woodstream development of Marlton.

On August 25, 2024, life changed forever. While in the Outer Banks, Drew suffered a significant cervical spinal cord injury. Drew spent 17 days at a Trauma center in Norfolk VA. He was transferred to the inpatient Magee Spinal Cord Rehabilitation Center for 60 days, then another 60 days at Magee outpatient rehab. Drew was engaged to Mollye Barsh just three weeks before his injury.

Drew was a member of the WoodStream Swim Club for 13 years. As a Cherokee graduate, Drew swam on the high school swim team and played Lacrosse. Drew attended West Virginia University. Drew worked as an NJ Licensed Home Inspector with his dad, Mark Panetti, before pursuing his passion as an electrician.

*Drew will need extra Physical and Occupational therapy that will not be covered by insurance.*

*Additional therapy is important for the best outcome. Your generous contribution will help Drew with his long road to recovery.*
