

How To Mark Your Swimmer's Arm For Their Events

We always get the question.....how can I mark my swimmer to reflect which event, heat and lane they are racing? This is used to help remind the swimmer of their events and age group or critter getter volunteers.

Heat Sheets will be posted on website usually the day before of morning of the meet. It lists events from No. 11 to No. 84. Use the Heat Sheet to find and highlight your child's events. Events 1-10 are the diving events that take place on Tuesday nights. Once you have located the events in the heat sheet, mark the arm as illustrated in the picture below in the order of Event/Heat/Lane.

It is also helpful to also write your child's full name on their upper back because it is hard to pick them out, especially with caps on.
