

Hello, my name is Christy Martin and I am the work sessions coordinator. This year we will be requiring families to work 5 sessions during the regular season. Each Friday I will send an updated google sheet with your "sessions worked" and "sessions left to be worked". When you volunteer to work the first half of a meet, you will check in with me by 6pm allowing us to start the meet promptly. When volunteering the second half of a meet, you will check in with me by event 43. This will ensure you are ready to work when event 47 is called. If you have swimmers in the final relays (at home meets only) we ask for all hands on deck to help reset the pool deck. When looking over the job descriptions, please feel free to ask any questions. We are willing to train for the "trained" positions, if you are interested. You can reach out to me at [tmraysworks@gmail.com](mailto:tmraysworks@gmail.com) or (859)760-1921.

## **Rays Rewards**

We will place all workers that worked the previous meet in a drawing. Winners will be announced on the Friday after the meet. I will also send out the sessions worked for each family at that time.
