

Northern Kentucky Swim League (“NKSL”) and

Taylor Mill Stingrays Swim and Dive Team

Volunteer Commitment Form

The NKSL and the Taylor Mill Stingrays Swim and Dive Team (“Team”) are organizations that are operated by volunteers. The operation of NKSL and Team competitions requires the involvement of all parents and/or legal guardians of all child/athletes who participate in swimming, diving, or both sports.

By signing up to participate in the NKSL and Taylor Mill Stingrays this season, you agree that you (on behalf of your family) will volunteer:

- for five (5) sessions of volunteer work at regular season swim meets if your child(ren) are swimming this season.
- for four (4) regular season dive meets if your child(ren) are diving this season.

Your failure to complete your required volunteer commitment as outlined above may result in your child(ren) being removed from final regular season swim/dive meet and/or post-season championship competition.
