

CCCA New Credit Card Policy

ALL families are required to maintain a valid credit card on our secure website. This will be the credit card used during online registration. All charges will be added to your account and viewable by you via your login to the website cccaquatics.org and then viewing "my account". Please note: NO charges go through your Countryside Country Club account - we are a separate entity. All credit cards will be charged as follows:

Swim Meet Fees:

- There is no charge for dual meets, the charges described herein are for the invitational meets and the championship meets (please visit website for full description of the meets)
- Charges for meets are based on the meet itself, and dependent on how many events your child is signed up to swim
- Your credit card will be charged the **day that the meet file is due to the host team (this is usually within a couple of days of the online meet registration deadline)**. At this point in time, the meet fees are not refundable because the team is obligated to pay the fees as per the entry file (regardless of whether the swimmer shows up at the meet)

Parties:

- The only parties that require an additional charge, are the PAL Post-party and the Banquet. The 12 and under party is included in your fees, and all charges related to any party including, but not limited to, decorations, DJ, music etc
- The charge described in this paragraph is for the meal at the clubhouse for those persons attending the PAL party and/or the end of season Banquet (price TBD)
- Your credit card will be charged the **date that the numbers are required by the club (usually 2 days in advance of the event)**. At this point in time, the fees are non-refundable as the team is required to pay the club based on the numbers submitted.

Photos:

- Each year, the swimmer has his/her photo taken and the family may purchase individual and team photos.
- Your credit card will be charged for the photo package that you selected, **the week following the date the photo was taken**

Prior year Dolphin Apparel:

- All purchases made from the 2012 apparel inventory must be paid by check payable to CCCA, or if you prefer, your credit card will be charged **PRIOR to receiving the apparel**
