

Skagit Valley YMCA Tritons Swim Team Sponsorship and Donation Form

About the Tritons:

The Skagit Valley YMCA Tritons Swim Team (SVYT) is a year-round, dual USA/YMCA club that is based at the Skagit Valley Family YMCA. Previously known as the Chinooks from 1986-2019, SVYT has developed leaders in and out of the pool, and has produced multiple national level swimmers. Since the shutdowns, the team has regrown to over 60 swimmers from across Skagit County.

Mission Statement:

Create and cultivate a passion for swimming that leads to enjoyment, success, and longevity.

Vision Statement

To create a positive and inclusive learning environment that allows youth the opportunity to have fun while growing as competitive swimmers, and healthy leaders.

YMCA Core Values

SVYT follows and shapes its program around the YMCA's four core values:

- Caring
- Honesty
- Respect
- Responsibility

To create a positive, inclusive, safe, and supportive learning environment free of negativity, bias, and disrespect while developing successful people, not just successful swimmers.

Having fun, developing and mastering technique, and strength and conditioning work all play crucial roles in the development of a swimmer. The goal of the SVYT swim team is to provide these important opportunities for youth ages 8-21 all around Skagit County through the sport of swimming, and to promote positive physical, mental, emotional, and social wellbeing.

Your generous donations can help maintain and grow our program by providing the funding to assist with travel costs, equipment, and scholarships to support swimmers needing financial assistance with membership and college.

Below is a table of allocations that can be referenced when filling out the donation form attached on page 4. We will make sure the funds are allocated according to your wishes!

Allocation	Description
Membership Scholarships	SVYT awards membership discounts based on our Y For All financial aid program (25% / 50% / 75%). We want to grow our swimmers regardless of their ability to pay, though this comes at a cost to the program.
College Scholarship	SVYT offers scholarship money to graduating seniors who apply. This can help with books and other supplies needed for a successful college student.
Swim Team Equipment	Our swim team is looking to buy equipment for more fun training opportunities for the kids. (This also includes covering replacements). Here are some examples: • Extra Fins • Power Tower for sprint training • Swim Bungees • Parachutes • Tempo Trainers • Breaststroke Ankle Bands
Dive Blocks	SVYT is currently fundraising for new racing blocks for competitions. Racing blocks are critical for competitive swimming, and new ones are needed to replace rusting and warped equipment.
Swim Meet Travel Costs	Traveling to meets is expensive, especially for those who qualify for meets in other states. Many swimmers cannot afford the plane ticket, hotel, food, and everything that goes into a travel meet.
General Swim Team Expenses	This allocation provides help to any areas that are immediately needed for the swim team. This can include any of the above, and is determined by the coaching staff.
