Computer rep Clinics

25 and 31 May

John Avelis, 217-737-1337 (cell). These clinics are for each team's computer rep or computer team. If you're not already a computer volunteer for your team, reach out to your current computer rep to volunteer.

Session 1: May 25, 6:30-9pm. (Introduction session for new reps. Ensuring familiarity with TeamUnify and Team Manager. Existing reps welcome, but we'll be starting slow, tailoring the material somewhat to what the new reps say they need. I believe most teams are now on TeamUnify. If that's not the case for you and you need help using Team Manager to generate entry files, please let me know).
