Divisionals Results

The Ducks swam well in their final meet of the season. The final score put us in second place with Montclair scoring 4,370, Ben Lomond 3,641 and Veterans Park 3,005. We had four triple winners (Pulak Deshpande, Catherine Purnell, Natalie Purnell, & Evan Thies), five double winners (Nihar Bhat, Troy Brown, Emma Knick, Steven Moyer, & Neeraj Suresh Pandi), and two single winners (George Herrera & Scott Spencer). Everyone had a great day with 103 swimmers setting personal best times in 177 splashes. Special congratulations go to Nihar Bhat for setting a new BLST record in 15-18 Breaststroke with a time of 33.41. We love to see those records get broken!

Results from the Cyber Meet

Every year, the computer folks from each team get together after Divisionals for a virtual championship meet. Basically, they take all of the results from all eight Divisional Meets, and rank everyone's times. Special ribbons are given for anyone finishing in the top 25 places within an event. This year 13 of our swimmers earned 30 cyber meet ribbons, including seven who received ribbons for all three of their individual events.

Also published is a list of the top 15 relay teams for each relay event based on times swum during Divisionals. Four of our Medley Relay teams and four of our Freestyle Relay teams finished in the top 15 from Saturday. Congratulations to everyone!
