Formula to Establish Qualifying Times

Automatic time is the 26th place time from the previous years psych sheet rounded to the next highest .09

B cut is the 50th place time from the previous years psych sheet rounded to the next highest .09

If a field size is under 50 a .2/100 will be added to the current B cut

All teams are given 1 relay

Diving: 2 meet average for 6 dive meets. Do not use 11 dive meets for the average
