

# Sparkman Swim Team

## Sponsorship Information

The Sparkman Gator swim team is a part of the vibrant Sparkman Club Estates community that was established in 1958 and has an annual active club membership of over 350 families. Sparkman has the look and feel of a small town but offers easy access to all the best Dallas has to offer. The heart of this community is the Sparkman Clubhouse and pool. Each summer children throughout the neighborhood participate on the swim team and compete against nearby teams with the help of parent volunteers who organize all aspects of the swim team season. This year we will be using our brand-new pool! Our Gators are committed to swim team and are anxiously awaiting the summer for our 2025 season! We would love to serve as a referral base for your business.
