Hello Stingray Families!

We have exciting news for those who ordered suits and gear. Those orders will be distributed at practice on Wednesday, 12/13. Parkas and other personalized items are not in yet. Thank you for a great turnout. Having the team back in matching suits for meets will be so nice. This Friday is the team's fundraiser at Red Robin. The team gets 20% of the proceeds. This fundraiser is ALL day. Please stop by for lunch or dinner to support our team. Mention the fundraiser to your server, show them a picture of the flyer, or if you are ordering online, add "fundraiser to-go" to your cart before you check out. Polar Express Night will be on Tuesday, 12/19. A sign-up genius will go out for this if you want to bring cookies or baked goods. The team will provide the hot cocoa and candy canes for everyone.

December Distance Day

December Distance Day is almost here! Saturday, 12/16 warmups start at 9 am, and the meet will begin at 10 am. This meet will be shorter, looking at ending before 1 pm. We hold this meet with the help of our family volunteers. Please see the job sign-up to select a job. We always need timers, and the meet can not start without certain positions filled. Also, the Special Eats food truck will be there serving delicious food!
