Hello Stingray Families!

The January IMX/IMR meet was a huge success. So many amazing compliments from everyone involved. Thank you to the volunteers and coaches who helped make everything run smoothly. Our next home meet will be on February 3rd. We have added 25s of all four strokes for the younger swimmers. The job sign-up link will be provided with this newsletter. Also, our volunteer policy is changing, we have changed it to facilitate the planning and continuity of our meets. Instead of a required number of hours worked, there will be a required number of sessions. This will provide more continuity during the meets and less volunteer slots. The February meet will be two sessions, meaning each family is required to volunteer to work one session, but help with both sessions is greatly appreciated. The policy will also have a detailed description of each job.

Stingray Farewell

Coach Shelby has been part of the Stingray family as a swimmer, swim lesson instructor, and coach for many years. She started swimming with the Stingrays in 2020. One thing she loves about coaching and teaching lessons is seeing the kids' confidence change as they get comfortable with swimming. She has been a pillar of our organization and will surely be missed! Please join us after practice tonight, Tuesday, January 16th, for Coach Shelby's last day of coaching as we wish her well with her new adventure with some hot cocoa and cookies.

ANY QUESTIONS? PLEASE CONTACT US: ADMIN@SAHUARITASTINGRAYS.COM

AT [FRYSFOOD.COM](https://frysfood.com), PLEASE DESIGNATE THE SAHUARITA STINGRAYS AS THE BENEFICIARY FOR THE COMMUNITY REWARDS.
