Welcome to YOUR newsletter!

The key to the most successful organizations is communication! As a team, we are working on constantly improving our organization. One way we plan on doing that is with this newsletter. It will help our athletes and their families stay informed about what is happening in our swim world.

Our key to success is you!

We are always looking for parent input, volunteers, and more athletes. We are trying to get more volunteer Meet Marshals, Officials, and Meet Admins to help facilitate running home swim meets!

Stay informed, follow us!
