Hello Stingray Families!

Copper Sprint Classic is here! Please download the On Deck app if you have not done so already. If you signed up through the app it will allow you to check what events your swimmer is swimming in, sign up for volunteer jobs, and stay in the loop. The team will sell exclusive Copper Sprint shirts for \$20 at the meet. We need our swim family's help to ensure we run a successful meet. We need volunteers to help make sure everything runs smoothly. We are also excited to be trying something new. We are bringing the food to you! During the Copper Sprint Classic, we are partnering up with several different food trucks parked out front. There will be trucks serving Mexican food, shaved ice, and nachos.
