ARTICLE ONE – MEMBER TEAMS

Section 1) The member teams of the Cabana Club Swim League are:

Almaden, Dolphins

Creekside, Cudas

Crossgates, Gators

Pinehurst, Piranhas

Santa Teresa, Sea Otters

Shadow Brook, Sharks

ARTICLE TWO – SWIM MEET SCHEDULE

Section 1) Dual meets will be held with a championship meet closing the season. The schedule of meets for each season, documenting the dates of each meet and order of competition, shall be established at a meeting of the League Board of Directors to be held no later than January.

Section 2) Official start time of dual meets is 8:30 a.m., unless both teams mutually agree to an alternative time in advance.

ARTICLE THREE – SWIMMER ELIGIBILITY

Section 1) Swimmers must be members of their respective cabana clubs, meeting all normal requirements for membership and pool rights of their cabana clubs. There is no league cap to the number of club members joining any swim team.

Section 2) Rosters must be exchanged among member teams prior to the first meet of the season. Rosters may be updated as necessary during the season and redistributed to all teams. More than one roster change for the same individual must be approved by a majority vote of the League Board of Directors. All roster changes must be forwarded to the League Commissioner prior to the next scheduled dual meet. Failure to comply may result in forfeiture of meet.

Section 3) Rosters must include names, ages, and birth dates.

Section 4) Eligibility for the championship meet requires swimming in at least one (1) individual event in at least three (3) dual meets of the current year as a registered

member of his/her respective swim team. This requirement will only be waived for the special circumstances of major illness, injury, or death in the immediate family. The exemption is done by a majority of silent votes cast by parent representatives at the annual seeding meeting. The team requesting the waiver is not eligible to vote, thus eliminating the possibility of a tie. Attachment A – Swimmer Exception Request Form must be completed and submitted 48 hours prior to the seed meeting to all the member teams' parent reps. If the form is not filled out, no vote will be held at the seeding meeting.

- Section 5) The seeding meeting shall be held on or before the second Wednesday prior to the day of Champs.
- Section 6) In all meets, a swimmer must swim in at least one (1) individual event to be eligible to swim a freestyle relay and/or a medley relay.
- Section 7) The league carries insurance specific to our activity, which is swim team. We are not a swim to learn program (swimming lessons), which would carry different coverage, so it is important that all the swimmers know how to swim. Each team needs to test their swimmers by the end of the second week of practice. Each swimmer should be able to swim the width of the pool. If the swimmer cannot swim the width of the pool, UNAIDED, then they cannot be allowed to participate on the swim team.

ARTICLE FOUR – SWIMMER AGE GROUPS

- Section 1) The swimmer age groups are:
- 6 and under
 - 7 and 8
 - 9 and 10
 - 11 and 12
 - 13 and 14
 - 15 to 18
- Section 2) A swimmer's age is determined by his/her actual age on May 31st of each year. Swimmers may swim up one age group, but must compete at that age level for the entire meet, except 6 and under, who may swim 8 and under fly and breast and still remain 6 and under for the remainder of the meet.

- Section 3) To be eligible to swim for a season including the championship meet, swimmers must be 18 or under as of May 31st of that season.
- Section 4) If a club does not have four swimmers listed on their current roster in a given age group (not counting scratches), a swimmer may swim up one age group for that relay event without having to swim up all events.

ARTICLE FIVE – EVENTS

- Section 1) The events and eligible age groups are as follows;

ARTICLE SEVEN – SCORING AND AWARDS

DUAL MEETS

Section 1) With the exception of the first dual meet, all dual meets will have two team winners. For the first dual meet, the team with the highest point total, based on the point system in sections 2 and 3, will be determined as the winner of the dual meet for highest point. Beginning with the second dual meet, there will be two winners of each dual meet. The winner of the highest points will be one winner, and the team with the highest percentage of individual improved times as determined in section 5 will be determined as the winner of the dual meet for team improvement.

Section 2) Individual Events

First - 5 points - Blue ribbon

Second - 3 points - Red ribbon

Third - 1 point - White ribbon

Fourth through Sixth - 0 points - host team may decide ribbon color

Section 3) Relay Events:

Second - 0 points - Red ribbon to each swimmer

Section 4) A swimmer winning a heat will receive a “heat winner” ribbon. Each swimmer participating in at least one (1) event will receive one (1) participation ribbon for the meet.

Section 5) Team improvement will be determined by dividing the number of individual swims with an improved time by the number of swims by that team (Splashes) plus No Shows. A swim by a swimmer with a No Time (NT) will not count toward the improvement percentage, but does count as a splash. Relays will not count toward the team improvement percentage.

Formula:
$$\frac{\text{Number of improved times}}{\text{Splashes} + \text{No Show}}$$

CHAMPIONSHIP MEET

Section 1) Two team awards will be given out at the Championship meet. One will be given to the team with highest point total as determined by the point schedule in Section 2 and 3. A swimmer missing an event (NS) or a disqualification (DQ), will count toward the divisor number in this calculation for team improvement.

Section 2) Individual Events:

First - 9 points

Fourth - 5 points

Fifth - 4 points

Sixth - 3 points

Seventh - 2 points

ribbon. Each swimmer participating in at least one (1) event, will receive one (1) participation ribbon for the meet.

For a false start to be officially registered, the false start must be noted separately and without conference by two independent judges.
