2025 Suburban Swim League Championships

Letter from the President

July 18-20, 2025

Dear Swimmers, Coaches, Volunteers, Families and Guests;

On behalf of the SSL Executive Board, welcome to the 58th Suburban Swim League Championship Meet! Today, the eight SSL teams gather at Del Oro High School's Kamphefner Pool to celebrate the culmination of the 2025 SSL swim season. This championship is more than just a final competition — it's a celebration of the dedication, growth, and community that define our league. Whether your child is pursuing higher levels of competition or simply building a lifelong skill, we celebrate the journey and the joy that swimming brings to our families.

This year, the SSL welcomed three new board members along with five returning members and our Commissioner of Records. This group works diligently throughout the year to enhance the function of the league and plan for each season. Their dedication is the backbone of our continued success. I appreciate their leadership and support in helping make this year great.

Our Head Meet Referees Elizabeth Parks (College Greens), Jared Calabrese (Loomis Basin), Jimmy Culleton (Park Terrace) and Bob Ross (El Dorado Hills), thank you for your time this weekend acting as lead meet referee officials. In addition to their help, I would also like to thank Brian Hansen (Granite Bay), who has been the league's Commissioner of Records for many years, offering unbiased and wise guidance to the league board. He goes above and beyond every year to answer questions, manage league statistics and swimmer eligibility. He deserves a moment of sincere appreciation from all of us! The league also relies upon the expertise of two other key individuals. Jim McCall from Loomis Basin Dolphins, the league's head starter, guides our starters with training and support that is unique in recreational swimming. Being a starter requires practice and constant learning, and Jim is a valuable resource to us all. I have enjoyed learning from him and always appreciate his humor and professionalism. Angela Gulley, is our head Stroke and Turn official for the League. Angela comes from the Folsom Sea Otters. Angela oversees the organization of all the Stroke and Turn and training the lead judges and parent volunteers throughout the season. I appreciate you all so much.

The history portion of this program bears worth reading, if you never have. While "We've come a long way, baby!", let us not lose track of the values and standards the league was founded on! I applaud all the coaches leading our swimmers to be better with each stroke, each handshake, and each win or loss. Our swimmers of all ages are why we are here! The parents/guardians of each swimmer sacrifice their own time, energy, patience, and Saturdays for these swimmers, so kudos to ALL of you. Parents, we have reached that moment of three days of fun filled anxiety. Remind the swimmers of the growth they have accomplished this past year. Let the smiles and laughter fill the air.

Wishing each swimmer, coach, official, and parent a rewarding championship event!

Sincerely,

Jeff Hagan

President

New Family Information

Champs is the **BIG** weekend in the Suburban Swim League. The Championship meet is different from the dual-meet format used by clubs during the regular season in several ways. First, all teams in the SSL compete against each other for points. Second, athletes may enter all events, with the exception that they may only enter one of the freestyle events. Champs is a “prelims-finals” meet, which means that all entered athletes compete in preliminary heats for placements in the event finals. Points are awarded based on the order of finish in event finals.

Due to the large number of entrants, the Meet is run over 2 & ½ days. Look at the Schedule of Events at the beginning of the program to get an idea as to what’s happening and when. Keep in mind that times are estimates. Swimmers participate in a series of qualifying heats (as many as 12 or more) in each stroke; the fastest ten swimmers in each age group advance to finals. A Consolation Final will also be held for the 11th through 20th fastest swimmers in the 12 and under age groups. The finals are run after the qualifying heats have been completed; all lanes in all final events are scored. The relay events are held after the individual finals on Saturday and Sunday, and the presentation of team and individual awards follows the Free Relays on Sunday afternoon, except for 6 & under swimmers who will have a special awards ceremony following the 11/12 backstroke finals on Saturday. A description of the team and individual awards may be found in the Championship Detail Section of the program. At a minimum, your child will swim in a qualifying heat for each of the strokes in which he/she is entered. If your swimmer finishes in the top ten in a stroke, or top 20 for 12 and under age groups only, he or she will also swim in the finals for that stroke. Your swimmer(s) may also swim on one or both of your club’s relay teams. This Program lists the qualifying heat seeding for ALL entrants; you can use it along with the Schedule of Events to get a fairly good idea of what times during the day your child will be swimming.

Each team has an assigned Team Area; this is where your swimmer(s) should spend much of their time. Swimmers should move from their team area to the Ready Bench about 30 minutes before their heat is to swim. Swimmers are required to check in at their team’s designated area prior to reporting to the Main Ready Bench. Swimmers will receive their event assignment in the form of Event-Heat-Lane prior to reporting to the Main Ready Bench. Your club will have volunteers to help younger age groups move to the Main Ready Bench. Parents are NOT permitted in the Main Ready Bench or behind the starting blocks unless serving as an assigned shift volunteer. The Suburban Swim League is a guest at Del Oro High School; please ensure that your children conduct themselves as guests.

The local weather can be especially hot over Champs weekend; be sure to bring and drink lots of liquids (if you run out, we will have various vendors providing food and beverages). There is a First Aid station located in the pool area. Smoking is not allowed in the pool area. Please refrain from smoking inside the pool area or in the stands, and in any other areas that are occupied by bare bodies and feet. Bring and use sunscreen, especially on your swimmers.

We anticipate over 1,365 swimmers and most likely another 2,000 parents and spectators. Please pick up all trash in your team area and in the stands before you leave for the day. The host Suburban Swim League will be providing after hour security for the facility and team areas. After the awards have been presented on Sunday, stick around a bit longer and lend a hand with the pool area clean-up and equipment tear down.

General Rules

Please read the following information. Our opportunity to utilize the Kamphafner Pool facilities is dependent on our ability to be respectful guests to our host, Del Oro High School. We ask you to familiarize yourself and follow these rules for your safety, protection of the facilities, and for an enjoyable swim meet.

- Setup is allowed after 1:00 p.m., Friday, July 18th. Del Oro High School has requested that tent stakes not be used to secure pop-up tents, etc. to avoid damage to irrigation system and soccer field. Tarps will not be allowed on the grass to avoid damage to the soccer field.
- Event parking is available at Del Oro High School parking lots as indicated on the overall facility maps. Please note no parking is allowed in the areas indicated as restricted or in the landscaped parking islands.
- Please secure your valuables at all times.
- Overnight camping and Recreational Vehicles are not permitted on the Del Oro campus.
- No alcoholic beverages.
- No dogs or pets (exception guide dogs).
- No skates, bikes, scooters or skateboards.
- No bells, airhorns.
- No gas generators.
- All trash must be placed completely inside the dumpsters. Do not place overflow trash around the base of the dumpsters. Trash that will not fit in the dumpsters must be taken home.
- SSL will abide by the USA Swimming Rules on suits, caps, jewelry, etc. This includes athletic taping or other support. Please present a doctor's note to the Meet Referee if medical accommodation is necessary.
- At the conclusion of the swim meet, spectator stands will not be available for seating until all deck tear down is complete and team sites are taken down. Once awards are finished, each team is responsible for their area of the field to be free of trash, lost and found or other items. The SSL will not maintain lost and found after the event is completed.
- **No photography will be allowed from behind the starting blocks. This is in accordance with USA Swimming Rules.**

2025 Championship Details

Seeding of Swimmers for Qualifying Heats

Overview

The process of assigning swimmers to heats and lanes in qualifying heats is called seeding. Swimmers are seeded based on their official entry times for each event that they enter. The official entry time for a swimmer is the fastest official time performed by that swimmer at that stroke and distance during the qualifying period for Championships. The qualifying period for Champs is May 10 through the date on which teams must submit entries to the SSL Commissioner of Records, the Monday before the final dual meet. In 2025, the submission date was July 7. Official times are those that conform to governing SSL and USA Swimming rules.

Seeding involves ranking the official times for all swimmers entered in each event. The swimmer with the fastest entry time is ranked #1. Swimmers are seeded slowest to fastest. The SSL uses the practice of circle seeding the fastest three heats. The table below illustrates how circle seeding works.

Twelve Lane Seeding Method for Qualifying Heats

Lane #	1	2	3	4	5	6	7	8	9	10	11	12
Heat 1	59	57	55	53	51	49	50	52	54	56	58	60
Heat 2	47	45	43	41	39	37	38	40	42	44	46	48
Heat 3	33	27	21	15	9	3	6	12	18	24	30	36
Heat 4	32	26	20	14	8	2	5	11	17	23	29	35
Heat 5	31	25	19	13	7	1	4	10	16	22	28	34

The basic idea is to seed the fastest swimmers into the later heats and the smoother water of the center lanes; the top ranked swimmer will be in lane #6 of the last heat for their age group. The last three heats are seeded as a single group of 36 swimmers. The ten fastest swimmers from each set of qualifying heats in each age group will advance to the event final and be seeded for the finals in the following manner:

Ten Lane Seeding Method for Finals

Lane #	10	9	8	7	6	5	4	3	2	1
Heat 1	10	8	6	4	2	1	3	5	7	9

This method is also used to seed the 'A' and 'B' Medley and Free Relay events into lanes 2-9 based upon each team's relay entry time. There are no qualifying heats held for the relay events; each team is allowed one 'A' and one 'B' relay team in each age group, the lane assignments listed in this program are for the final relay events. Only the results of the 'A' relay team are included in the scoring; the 'B' relays are not scored.

2025 Suburban Swim League Championships

Individual Awards

- Ribbons will be awarded to all finishers in each preliminary heat.
- Medals will be awarded to each individual (1st through 10th place) finalist.
- Ribbons will be awarded to each Consolation Finalist (1st through 10th place).
- Medals will be awarded to each member of every relay, both A & B relays.
- Trophies will be awarded to the top three individual high point girls and boys in each age-group (individual points may be earned in only one age-group).
- The overall high point girl and boy will each receive a trophy. Swimmers receiving this award are not eligible for the age-group high point trophy above.

Team Awards

- **Gloria E. Zielke Championship Trophy:** Awarded to the League Champion (high-point team)
- The SSL will award trophies to the runner up and third place team based on points scored.
- Team trophies will be awarded to the regular season dual meet champion, runner up, and third place team based on winning percentage. Ties will be broken based on total points scored during the season.
- Sportsmanship: The SSL will present a perpetual trophy to the SSL club recognized for exceptional sportsmanship over the course of the season.
- President's Award: Awarded by the SSL to recognize the team with the highest "splash efficiency", in other words, the highest ratio of points earned to splashes.
- Under 10 Excellence Award: The SSL will recognize the team scoring the highest number of points among swimmers age 10 and below.

Event Scoring -- Points Awarded

Place in Finals	1st	2nd	3rd	4th	5th	6th	7 th	8th	9 th	10th
Individual Points	11	9	8	7	6	5	4	3	2	1

Opening Ceremonies and Team Cheers

Opening Ceremonies for the 2025 League Championship Meet will begin with the Team Spirit Cheers at 7:00am on Saturday morning. Teams will enter the pool area from the three different entry gates and assemble in their designated team area around the main pool, as follows:

- A. CG and EDH will assemble in order outside the southwest gate (closest to ready bench access to pool). CG will enter first and position on the south side of the pool (where the coaches sit). EDH will be second and fill in the south side of pool (closest to the main scoreboard).
- B. SS, BB & LBD will assemble in order at the upper gate (west entrance). SS will enter first and position behind the blocks in the main pool. BB and LBD will fill in adjacent to SS on the pool deck.
- C. GB, FSO, & PT, will assemble at the main entrance of the pool. GB will enter first and will be followed by FSO and then PT to fill the east side of the pool deck. Opposite side of pool from the soccer field and team areas.

A map of the pool area is shown below and highlights the entry points and cheer locations assigned to each club. Cheers will begin around the pool in alphabetical order.

2025 Suburban Swim League Championships

Elimination Policy

310. SELF ELIMINATION

In league championship meet competition:

- (1) Any swimmer failing to compete in a preliminary heat shall not be penalized.
- (2) Any swimmer who has qualified for a Final Event heat, including the Consolation Final, and who wishes to withdraw from that heat **MUST** provide notice to the Meet Referee no later than 60 minutes from the scheduled start of the heat. The swimmer must provide notification only of the decision to withdraw, and is not obligated to provide a reason for the decision to withdraw.
- (3) Any swimmer who has qualified for a Final Event heat, including a Consolation Final, and who fails to provide proper notification of intent to withdraw shall be barred from further competition for the remainder of the meet, including relay events.
- (4) Once a swimmer has notified the Meet Referee of his/her intent to withdraw from a Final Event heat, the swimmer is considered to be scratched from the heat and the decision may not be reversed.
- (5) The Meet Referee may grant waivers of disqualification for failing to provide notice of withdrawal in the event that the swimmer's non-participation is due to illness or injury. The Referee's decision to grant such a waiver is subject to protest.
- (6) Alternates for individual event finals, including the consolation final, are not subject to disqualification if the referee determines that the alternate could not be properly notified in advance of the event.

311. ALTERNATES AND EVENT FINALS

Section 1. Alternates will be used to replace event finalists who do not show for their event final. The first alternate (11th overall in prelims) will be the first swimmer selected. The second alternate (12th overall) will be the second swimmer selected. The third alternate (13th overall) will be the third swimmer selected, and so on, until all lanes in the event final are filled.

Section 2. Event finalists must be present behind the blocks when the Starter commands the heat to step up onto the blocks. Event finalists who are not present at the command to step up will be immediately assigned a false start for delay of the meet.

Section 3. The Referee will allow 30 seconds for the event finalist to step up on the blocks. If the event finalist fails to step up on the blocks within 30 seconds after the command to step up, the Referee will disqualify the event finalist and insert event alternates in the order established above in Section 1.

Section 4. A disqualified event finalist may be subject to further disciplinary action per Paragraph 310, above.

Section 5. Once the Referee has disqualified the event finalist and directed that the alternate be inserted into the heat, the event finalist may not be re-instated to the heat.

2025 Suburban Swim League Championships

312. ALTERNATES AND CONSOLATION FINALS

Section 1. Alternates will be used to replace consolation finalists who have been advanced to the event final or do not show for their consolation final. The first alternate (21st overall in prelims) will be the first swimmer selected. The second alternate (22nd overall) will be the second swimmer selected. No alternates beyond the 22nd overall finisher will be selected even if open lanes exist in the consolation final heat.

Section 2. Consolation finalists must be present behind the blocks when the Starter commands the heat to step up onto the blocks. Consolation finalists who are not present at the command to step up will be immediately assigned a false start for delay of the meet.

Section 3. The Referee will allow 30 seconds for the consolation finalist to step up on the blocks. If the consolation finalist fails to step up on the blocks within 30 seconds after the command to step up, the Referee will disqualify the consolation finalist and insert event alternates in the order established above in Section 1.

Section 4. A disqualified consolation finalist may be subject to further disciplinary action per Paragraph 310, above.

Section 5. Once the Referee has disqualified the consolation finalist and directed that the alternate be inserted into the heat, the consolation finalist may not be re-instated to the heat.

313. ELIMINATION FOR CAUSE

Section 1. Swimmers eliminated for cause, i.e. misconduct, horseplay, disobedience to Officials, arguing with Officials, etc. will not be permitted to compete for the remainder of that Meet.

Section 2. The Meet Referee is the sole authority during league championship meet competitions to eliminate a swimmer for cause.

Section 3. A Referee's decision to eliminate a swimmer for cause is subject to protest by the affected Member Club. If the SSL Executive Board upholds the Meet Referees' decision, the athlete may be suspended for the following meet at the discretion of the Executive Bboard.

Volunteer Information

It takes approximately 950 volunteers to operate a successful Championship Meet. The SSL would like to thank all of our volunteers. Your commitment and effort allows all of our swimmers and families to have a memorable experience.

Below is a summary of the various volunteer positions, including a brief description of responsibilities, as well as information regarding location to report for shifts.

Announcers: During preliminary heats, responsible for announcing the names and clubs of the swimmers, by lane, in each heat. For event finals (not consolation races), the Announcers introduce each swimmer in descending order of lanes, ending with the fastest qualifier. Two announcers are assigned to events. Announcers meet at the Ops Desk at the pool when reporting for shifts.

Clerks of the Course: Clerks of the Course work closely with the Deck Referee and Starter. Clerks are responsible for ensuring that the correct swimmer is present in the correct lane and for the correct event/heat. Three clerks are assigned to each shift. One additional clerk is required to support 100-yard relay events. Clerks meet at the Ops Desk at the pool when reporting for shifts.

Colorado: The Colorado team operates the Colorado timing consoles used to capture race results. Volunteers must be experienced Colorado operators and certified by their clubs. Two volunteers are assigned to Colorado. Colorado operators meet at the assigned Colorado station when reporting for shifts.

Computer Operations: The Ops team manages the Meet Manager software that manages the 1,370 athletes, 5,000+ individual entries, and all race results. Volunteers must be experienced computer operators and certified by their clubs. Two volunteers assist the Commissioner of Records each shift. Operators meet in the Ops office behind the Ops Desk at the pool.

Deck Referee: This position requires volunteers to be certified by the SSL or their club. The Deck Referee is appointed by the SSL Executive Board and is responsible for all aspects of the swimming competition. Deck Referees meet at the Ops Desk at the pool when reporting for shifts.

Deck Pass Control: Responsible for checking that all persons desiring admittance to the area behind the blocks have SSL-issued deck passes. Persons without deck passes are not permitted behind the blocks. Volunteers are positioned at both entrances to the blocks area. Volunteers should meet at the Ops Desk at the pool when reporting for shifts.

First Aid: First aid volunteers support the aid station. Volunteers for each team are available on call as needed. Volunteers meet at the first aid station when called upon to address medical incidents.

Hospitality: Responsible for distributing refreshments and light snacks to meet officials and volunteers working behind the blocks and on-deck. Six volunteers are assigned to each shift. Volunteers meet at the hospitality station.

2025 Suburban Swim League Championships

Inspection: SSL League Reps are primarily responsible for inspecting club areas to ensure all equipment has been removed and trash has been placed in the appropriate container.

Meet Referee: This position requires volunteers to be certified by the SSL or their club. The Meet Referee is responsible for auditing and signing all DQ slips. The Meet Referee is the swimmer's advocate and checks to see that all slips conform to the SSL standard. The Meet Referee backs up the Deck Referee as needed. Referees meet at the Ops Desk at the pool when reporting for shifts.

Ready Bench: Ready bench volunteers help seat swimmers in the proper heats and lanes prior to sending the swimmers to the ready area behind the blocks. The SSL operates a main ready bench with generally ten volunteers. Note that all swimmers are required to check in and obtain their Event-Heat-Lane assignment, written on the hand (left on Saturday and Right hand on Sunday) in format H-L, prior to reporting to the SSL ready benches. Clubs are responsible for operating their own team check in and staging areas. Volunteers meet at the appropriate ready bench at the scheduled events for their shifts.

Recall Starter: This position requires volunteers to be certified by the SSL or their club. The Recall Starter assists the Starter. The Recall Starter is responsible for observing the start of each race and signaling a recall when a false start occurs that is not identified by the Starter. Starters meet at the Ops Desk at the pool when reporting for shifts.

Ribbons: The ribbons team prepares ribbons and medals earned by swimmers during the meet. Volunteers meet at the ribbons desk when reporting for shifts.

Runners: Runners carry important information from the Ops Desk to meet officials around the deck. Runners also carry DQ slips from Stroke and Turn judging stations to the Ops Desk. Three volunteers are assigned to the pool. Runners meet at the Ops Desk at the pool when reporting for shifts.

Starter: This position requires volunteers to be certified by the SSL or their club. The Starter is the meet official responsible for ensuring that all swimmers have a fair start in each race. Starters report to the Ops Desk at the pool when reporting for shifts.

Stroke and Turn Judges: This position requires volunteers to be certified by the SSL or their club. Stroke and Turn judges ensure that the rules relating to the style of swimming designated for the event, including turning and finishing rules, are being observed. Stroke and Turn judges should report to the assigned judging station per the published schedule and per guidance from your club head of Stroke and Turn.

Takeoff Judges: Take off judges are drawn from the pool of available Stroke and Turn judges. Takeoff judges observe the touch of the incoming relay swimmer and the feet of the departing swimmer to judge whether the departing swimmer is in contact with the starting platform when the incoming swimmer touches the end of the pool. The SSL uses takeoff judges only on relay events.

Teardown: Volunteers are responsible for the recovery and removal of all equipment used during the meet. All trash must be picked up and placed in the appropriate receptacle. Teardown

2025 Suburban Swim League Championships

begins at the conclusion of the competition. The pool deck area must be fully recovered and restored prior to commencement of the awards ceremony. Each team provides three volunteers (minimum) to assist with teardown. Volunteers report to the pool deck.

Timers: Timers are responsible for capturing the official finish time of each athlete. The SSL assigns three timers to each lane. Clubs may have no more than one volunteer assigned to each lane. Two volunteers serve as roaming backups when timers in lanes need breaks. Timers should check in with the Head Timers when reporting to pick up lane assignments.

Colorado Timing System

Overview

The Suburban Swim League uses semi-automatic timing to capture all times. This method is called semi-automatic because the time starts automatically at the start, but is manually captured at the finish.

The Colorado System consists of a computer, a starting horn and strobe light, a set of three push-button plunger switches per lane, and the display board. The horn and strobe light signal the start; clocking of all swimmers begins simultaneously. The three timers on each lane use the buttons to manually stop clocking in their lane when the swimmer touches. The three times obtained on each lane are printed at the computer console and sent on with the lane slip to the scorers. When two of the three buttons agree, that is considered the official time. When no buttons agree, the intermediate time (middle time) of the three is the official time. The official time will be displayed on the board. One timer on each lane will also use a stopwatch to manually time the swimmers; the stopwatch time will be recorded as a backup time on the swimmer's lane slip.

Instructions to Timers

1. Please listen carefully to the briefing provided by your shift head timer.
2. The backup stopwatch timer (all timers when manual timing is being used) must always watch the strobe light that signals the start. Be in position at the start to have an unobstructed view and start the watch at the instant of observing the visual starting signal. Check your watch after the start of the race to make sure that it is running. If you miss the start of the race, immediately notify the head timer for a back-up watch.
3. Stand directly over the assigned lane at the finish to observe a touch above, at, or below the surface of the water and stop the watch and/or push the semi-automatic system button when any part of the swimmer's body touches the wall. Do NOT anticipate the touch. Backup timers will also stop their watch at the swimmer's touch. Note: It is not within the Lane Timer's jurisdiction to judge if the swimmer's touch conforms to the applicable finish rules or if a relay take-off infraction has occurred.
4. Disqualify yourself if you feel that you missed the touch. Inform the Head Timer of the miss and have the recorder indicate missed button on the lane slip.
5. Be aware of the length of the race (50 or 100 yards – 2 or 4 lengths of the pool).
6. Verify whether the swimmer or relay team is present and in the correct lane, heat and event, record the names and order of relay swimmers prior to the start of the race, and determine if the relay swimmers are swimming in the order listed.
7. Determine and record manual watch times or the absence of a swimmer or the relay team seeded in that lane.
8. Report and indicate on the timing recording form if there is reason to believe the semiautomatic or manual times may be inaccurate.

2025 Suburban Swim League Championships

9. Officials assigned as Lane Timers may simultaneously operate two dissimilar devices (one watch and one button) but not two similar devices (two watches or two buttons).
10. Backup timers should NOT clear their watch until the Meet Referee blows his whistle.
11. Be fair to the swimmers.
12. Be courteous to the swimmers. Help younger swimmers to exit the pool if needed (using two hand, never assist a swimmer by pulling on one arm).

The length of the meet is highly dependent upon the speed and efficiency of the timers and the backup. Please move as quickly as possible without sacrifice to accuracy and neatness.

Main Ready Bench Instructions

1. Confirm that the last name of swimmer is on the LEFT shoulder blade, so that the Clerk of the Course can easily identify each swimmer from the back.
2. Check hand for seating position at the main ready bench.
 - a. Saturday = write on LEFT Hand.
 - b. Sunday = write on RIGHT Hand.
 - c. Individual Events: Heat, Lane. Example: 5/7 means Heat 5 Lane 7.
 - d. Relays: Swimmer/Lane + A or B. Example: 1/4A means swimmer 1, lane 4 on the A relay.
3. PRELIMS - Each team is responsible for managing the Main Ready Bench for one preliminary stroke. For Example:
 - a. Back Prelims: Managed by Sierra Sharks and Park Terrace
 - i. 6 SS Volunteers & 6 PT Volunteers - Of the 12 total volunteers, please assign them appropriately to include:
 - 2 VOLUNTEERS LEAD– these are your best ready bench managers.
 - 1 VOLUNTEER IN THE ENTRY AREA - ensure only swimmers ready to be seated can go to the seating area.
 - 5 VOLUNTEERS IN THE MAIN SEATING AREA:
 - 3 Front row volunteers: Greet and seat swimmers coming into the ready bench. Send kids to the pool entry when called upon.
 - 2 Back row volunteers: Keep parents out of ready bench area, assist swimmers with finding their correct seats, and send to pool when called upon.
 - 4 VOLUNTEERS AT THE ENTRANCE TO THE POOL- take the swimmers from the gate entrance area to the blocks.
 - All Main Ready Bench volunteers MUST wear a yellow vest while working.
 - You may NOT leave your post until you train the next volunteer on your position and exchange the vest.
4. FINALS – Using Back/Free Finals as an example:
 - a. 2 SS Volunteers – Manage radio communication, timing and expedite. These should be your BEST ready bench volunteers.
 - b. 2 PT Volunteers – Manage radio communication, timing and expedite. These should be your BEST ready bench volunteers.
 - c. 1 Parent volunteer from each team will walk swimmers from their team tent to the Main Ready Bench. This parent will assist with getting swimmers to the blocks for final events, when directed to do so by the Main Ready Bench lead.
 - d. All main ready bench volunteers MUST wear a yellow vest while working.
5. RELAYS - Using Free Relays as an example.
 - a. 2 BB Volunteers – Manage radio communication, timing and expedite. These should be your BEST ready bench volunteers.
 - b. 2 FSO Volunteers – Manage radio communication, timing and expedite. These should be your BEST ready bench volunteers.
 - c. 2 Parent volunteers from each team will walk swimmers from the team ready bench to the Main Ready Bench.
 - d. These parents will stay and assist with walking their own relay teams to the blocks, when directed to do so by the
 - e. Main Ready Bench lead. Please use parent volunteers that are comfortable with managing relay teams.
 - f. All main ready bench volunteers MUST wear a yellow vest while working.

*****Only Send COMPLETE relay teams to the blocks. *****

2025 Suburban Swim League Championships

About the Suburban Swim League

Mission and Purpose

The **Suburban Swim League** is a summer recreational swimming league. The mission of the SSL is to promote recreational competitive swimming in its member club communities; to govern, coordinate, and administer activities and operations of the **SSL**; to facilitate the mission of member clubs to provide a wholesome, recreational-competitive swim program in their communities; to sanction and provide for annual league championship competitions; and to provide for the prompt and equitable resolution of grievances between member clubs.

League Philosophy

The **SSL** places the importance of recreational swimming and participation above the element of competition. Though competition is an important element of a swim meet, the SSL believes that all swimmers should participate regardless of individual proficiency, thus enabling the maximum number of swimmers to enjoy a well-rounded, recreational program.

Advocacy

The **SSL** advocates recreational swimming as a lifetime sport that is part of a fit, healthy lifestyle.

Equal Opportunity

The **SSL** shall provide an equal opportunity for athletes', coaches, administrators, and officials to participate in amateur, recreational swimming competitions without discrimination on the basis of race, color, religion, sex, or age, provided that swimmers meet age requirements as set forth in the SSL's bylaws, policies, and procedures

USA Swimming

The SSL observes the rules of USA Swimming except where set forth in the organizations bylaws, policies, and procedures.

History

During the summer of 1966 there were a number of teams swimming in the Sacramento area without league affiliation. After a successful Championship meet involving three of these teams that summer, representatives from the College Greens, El Dorado Hills, Foothill, Park Terrace, and Parkway teams met to discuss the formation of a new Sacramento area league. The Suburban Swimming and Diving League was officially formed on April 17, 1967. Of the five founding teams, three (CG, EDH, and PT) remain in the Suburban Swim League; two of these teams, College Greens and El Dorado Hills, have been members of the league continuously since its inception in 1967.

The first Championship Meet was held at College Greens in August, 1967. The League received considerable assistance from the Rosemont Swim Team (in the Sacramento League) and the Sacramento YMCA Swim Team (in the Capitol League). Don Cumley, the Rosemont Coach, was

2025 Suburban Swim League Championships

the Meet Referee. Much of the success of this first Championship Meet was due to the efforts of the Meet Director, Gloria Zielke of College Greens.

Over the next dozen years, the SSL went through a number of changes. New teams joined the league and some of the original teams left (temporarily for FF and PT). Sometime in the mid-seventies, 'Diving' was dropped from the league name; there were never any official diving competitions held. Hosting Championships was rotated among the teams in the league until 1979. They were usually held in six-lane pools, the normal configuration for most facilities.

Through most of the seventies, 'Place Judges' were assigned to determine the winner of races because the mechanical watches available at that time were only readable and accurate to tenths of a second. When electronic watches, accurate to hundredths of a second became readily available, time became the sole criteria for placement and Place Judges were no longer needed.

With the addition of the Highlanders in 1973, the league had grown to nine teams (two teams, Elk Grove and Rio Linda, swam as a single team in dual meets and separately at Championships). That year, due to the large number of teams (and only six-lane pools to swim in), the league tried swimming in two divisions, with separate divisional Championships. It was not very popular with a number of teams so the divisional structure was dropped the following year. In 1974, Park Terrace took a leave of absence that lasted eight years.

In 1979, the Championship meet was held at Sierra College for the first time. A 10-lane pool and 6-lane warm-up pool, permanent spectator seating with space to add additional seating, expansive grounds for team areas, and an air-conditioned office for the use of the league reps was a big improvement over previous sites. Most importantly, 10 lanes meant that there would be 10 finalists who received medals for their efforts. That year, there were only five teams in the SSL. Each team was able to enter two relays (the "A" and "B" relays swam at the same time).

In 1980, the Carmichael Beavers joined the SSL. Amador dropped in 1981, and in 1982, Park Terrace returned. The league remained very stable between 1982 and 1987 with six teams (CB, CG, EDH, FF, HD, and PT). Each team swam 10 league meets during the season, meeting each other team twice (home and away). The meets were shorter in length; two or three were swum on Wednesday evenings.

On July 30, 1987, the top swimmers from the Suburban Swim League competed against the top swimmers for the Sacramento Swim League at Jesuit High School, entertaining the largest crowd ever to witness a swim meet there. The Sacramento Swim League consisted of Arden Manor, Del Paso, Fullertown, Glen Oaks, Parkway, Rio Del Oro, Rosemont, Southland and Sutter Lawn. The much anticipated meet was held for six consecutive years. The competition ended in 1992 when the Sacramento Swim League moved its championships to a different weekend. The Suburban Swim League won all six meets.

Loomis Basin and Folsom joined the league in 1988. To accommodate the additional spectators at Sierra College, the Loomis team parents brought in bleachers from surrounding parks and schools. There were over 1,000 swimmers entered in 1988; as a result, the meet was expanded to three days, with the IM qualifying heats being swum on Friday evening.

2025 Suburban Swim League Championships

A number of significant changes took place in 1989; the freestyle events (in both Dual meets and Championships) were split into two distances; a swimmer was only allowed to swim in one of the two in a single meet. Also, the 15-18 age group was split into 15-16 and 17-18 groups to provide for more equitable competition and thus encourage the 15-year-old swimmers to stick around a bit longer. The 15-18 group was retained only for the relay events. The result was an increase in the number of events from 73 to 95; with most of the extra time added on Saturday.

1989 was also the first year that a computerized scoring system was used. Seeding had previously been done by hand by sorting the lane slips and then typing the program. The new system provided all seeding, printed listings for the program and the officials' use, and handled all scoring. Times were taken in the normal manner (three watches and a recorder), and were manually input into the system.

In 1991, the Colorado timing system (three buttons and a backup/recorder) was first used. A display board was added at the end of the pool in 1992. The first year it was used, the SSL had a ten-lane display board; subsequently, a single line display that cycles through each swimmer's time in their order of finish was added.

In 1993, the SSL welcomed a new team, the Sierra Sharks. Sierra formed through a split of the El Dorado Hills team. With nine teams swimming, there were over 1,100 entrants at Championships that year. The Carmichael Beavers left the SSL in 1994 (they are now in the Northern –California Swim League), and the Foothill Flyers left the SSL in 2001. In 2002, we welcomed the Broadstone Barracudas to the Suburban Swim League. The Highlander Dolphins left the SSL in 2004.

Flyover starts were introduced in 2005 and were an immediate success, significantly shortening the length of prelims. In 2006, the League purchased a new league record board for permanent display at Sierra College as well as a Sierra College record board to mark our 28th year at Sierra College and our 40th Annual Championship meet. With team's ranging in size from 150 to 350 swimmers, the League introduced the President's award in 2006 to recognize the team with the best points per splash ratio.

The Granite Bay Gators joined the SSL in 2011, returning the league to 8 teams. Granite Bay was formed by splitting from a larger club, the Roseville Sugar Bears. The Gators swam for several years in the Valley Foothill Competitive Athletic League prior to joining the SSL.

In 2019, Our Champs event was moved from Sierra College to the Del Oro High School pool facility. In 2020 the Suburban Swim League cancelled the season due to the global pandemic. In 2021 teams were able to practice but the league did not hold any sanctioned dual meets or a championship meet. Virtual meets were run with each team competing at their home pool and results combined to determine the virtual dual meet winners. No league records or championship team was recognized by the league in 2021.

Teams were able to gather again in 2022 after the Covid Pandemic to compete in in-person dual meets and a League Championship Meet. The League Championship meet was held at Del Oro High School.
