Filling out your membership application form

Even if you are a returning member, please fill out all information. Since the Pool Board is made up of volunteers and positions change on a regular basis, forms from previous years are not always passed along. We are working to improve communication and the transfer of information. Thank you for your help in making sure we keep your information up to date.

People listed in your members are the ones included in your membership. Only grandparents that live with you can be included in your membership. We reserve the right to request proof of residency.

When listing your members, please provide us with each member's date of birth including the year. Our Social Committee wants to create events and activities for each age group. By sharing birth dates with us, you help us to provide you with better entertainment!

There must be at least one adult (age 19 or over) listed on the membership.

Babysitters can be added to your membership for an additional fee. Their access to the club is limited to the times when they are caring for your child/children. Babysitter access does not provide full time club access. Babysitters are not members of the club. If your regular babysitter is part of another household membership, please do not list them on your form.

Please be sure your application form is completely filled in and all information is legible.
