FAQ's

When do I sign up for swim meets? Swimmers must declare *whether or not* they are participating in a meet **9 days** before the meet (Thursday of the prior week for a Saturday meet). Event entries will be released the following Monday and all changes made by Wednesday.

How do I declare my status for swim meets? On the website, look in the lower-right-hand corner of the home screen for the "Events" box. Click the "Swim Meets" tab and click the "Attend this Event" button. Select swimmer's name and declare either "Yes" or "No."

What events will I swim? Each swimmer can swim up to 4 events. You may select two individual events you want to participate in when you declare your status. Coaches will do their best to honor these requests, but will place swimmers based on availability and need.

What should I bring to a swim meet? Visit "For the Parents" on the top banner of the website for ideas of what you will need at a swim meet.

How is a swim meet scored? The last heat of each event is the "Points Heat." Points are awarded to each team based on their swimmers' finishing positions in that heat. All other heats are "Exhibition Heats" and do not count for team points.

Will there be ribbons? Pins? Swimmers are awarded a Piranhas Pin for every personal best time. Ribbons are given for: 1st-6th place in individual point-scoring heats 1st-3rd place in relay point-scoring heats 1st-3rd place in individual exhibition heats

Do I need to volunteer at meets? Each family is required to volunteer at AND bring a concessions item to every *home* meet in which their swimmer participates.

All pools are 25 meters with these exceptions.

(Approximate formulas convert times to compare to a 25 meter pool.)

Baraboo	24 yards, 1 foot	Time x 1.1
Baraboo Indoor	25 yards	Time x 1.116
Mt. Horeb	35 yards	Time x .75
Wisconsin Dells	22.5 yards	Time x 1.32
Sun Prairie HS	25 yards	Time x 1.116
