

WEEK SIX NEWSLETTER

Welcome to the Week 6 newsletter! This week's theme was "Creepy Crawlers and Camping!"

We started out our week with a "make your own bug" craft! Campers got to be creative with their own bug designs using different colored paper and paint! The older boys also had a blast pushing tables together and using towels to make their own tent!

On Tuesday, campers mixed paint and shaving cream to make beautiful pictures! Campers also got to paint toy cars! We also got a lot of use out of our brand new karaoke machine!

Wednesday we got to do a camp-wide scavenger hunt! We had so much fun finding and reading counselor hidden clues! We also really appreciated our visit from Mr. Softee!

Thursday we were surprised with a huge tent to do crafts in! We had the best time making bracelets with our friends and lounging in our "camping" home! Ms. Mya also helped us create makeshift s'mores using marshmallows, chocolate sauce, and graham crackers!

Friday campers were surprised to find the tent set up for a second day! Campers got to do sand art for the craft and we enjoyed pizza before heading to the pool!

Good luck to all of our friends participating in Tri-County this weekend!
