Week 3- July 7-July 11

COLOR WARS WEEK!

## Theme of the Week: Color Wars

Our campers had an exciting and engaging week full of teamwork and creativity! Kicking off with the "color run obstacle" course on Monday, our campers enjoyed the vibrant and energetic atmosphere as they navigated various challenges while being doused in colors. Later in the week, the "Tent Decorating" competition provided a creative outlet, allowing campers to showcase their artistic flair and collaborative spirit. These activities are excellent ways to build community, promote teamwork, and create lasting memories.

There's nothing like a good "Slime Day!"

## Slime-tastic Time!

## Tie Dye Day!

Tie Dye Day is a CAMP MUST! The effort, energy, and inevitable splashes of dye are all worth it when you witness the collective joy and pride in each participant's eyes. It's a day that celebrates not just art, but also "camp fashion!"
