Vol: Week 1

THE NEWS

Camp Barclay is off to a very WET start! Despite the weather, our campers are surely enjoying the summer rain~ and it is definitely not slowing them down!

When it's just "raining" we still run, play, and dance in the fresh air. When the thunder starts we have been seeking shelter, cuddling up in our towels and enjoying movies during the afternoon storms! It hasn't been all rain~ so we certainly have had plenty of time to swim swim swim!

THIS WEEK'S THEME: RED, WHITE, AND BLUE

Our first two days of camp, we focused on "Breaking the Ice" activities. We spent some time making friends and getting to know our counselors! We chatted over "Ice" cream sundaes.

We just completed our FIRST FULL WEEK of camp! This week, our crafts were centered around our Patriotic Holiday, The Fourth of July! We made patriotic beaded bracelets, painted stars, and made Fourth of July Slime.

We played with water balloons, enjoyed Mr. Softee, ate lots of Pizza, and swam a ton!

CAMPERS START "SAND SOCCER"

WELCOME TINY CUDAS!

Tuesday marked the first day that our tiniest friends joined us for our second season of our "Tiny Cuda" program! Our Tiny Cuda program runs three mornings a week and is available for 3 and 4 year old club members. Our young campers have been loving the sandpit and our sensory toys!

Thank you to our sponsor, SJPR
