

WEEK THREE NEWSLETTER

Welcome to the Week 2 newsletter! This week's theme was "Land, Sea, and Air".

Monday we started off the week with a resourceful craft with Mya! Campers used leaves, sticks, flowers, and other items found in nature to make their names or shapes!

Tuesday camp was closed for the 4th of July- we hope everyone had a great holiday with friends and family!

Wednesday was quite a hot day to come back to after a day off! Campers were so excited to jump into the pool on this over 90 degree day! The craft of the day was popsicle sea animals!

Thursday was another hot day! The pool and sprinkler were our favorite activities! Campers made tie dye turtles for the craft of the day!

On Friday campers were so excited for Pizza Day! We made bird houses and foam fishes to finish out "Land, Sea, and Air" week!

UPCOMING:

Next week's theme will be "Summer Fun at the Boardwalk"! On Tuesday the 11th, we will have a dunk tank at camp. Kids and counselors are invited to participate. Please let a staff member know if you do not wish for your child to get dunked.

THANK YOU TO OUR SPONSOR, SJPR
