

FOR YOUTH DEVELOPMENT™  
FOR HEALTHY LIVING  
FOR SOCIAL RESPONSIBILITY

**Welcome to the Ric Nuber YMCA! We are excited to be able to serve the community once again this year through this great partnership with the Memphis University School Swim team, and we look forward to seeing the great young men from MUS each day.**

**As we begin a new season we would like to point out a few items that will assist us in having a successful and safe year:**

- **As a part of our continued partnership with MUS, we do require each swimmer to be a member of the Ric Nuber YMCA. The membership fee for MUS swimmers is \$200. If you currently have a family membership, there is no additional membership fee for the swim season.**
- **Each swimmer must complete a membership application, attach payment and return to Coach Parker.**
- **Once memberships have been processed, all swimmers will be issued a Y membership card. Your membership is valid at all 9 of our locations. Memberships cards must be scanned to enter the Y.**

**A few additional reminders:**

- **Our entry driveway is very narrow. We ask that you use extreme caution when entering. Do not stop in the front drive of our building to drop off or pick up. When you stop in our drive, it creates an unsafe environment for other drivers as well as yourself. Please continue on into our parking lot and use a parking space or as you enter, turn right into the side parking lot. You can continue out our back drive onto Lynnfield.**
- **Swimmers should take all belongings to the pool deck during practices. Do not leave items in the locker room. Coach will designate an area on the pool deck to store your belongings.**
- **Remember to bring your membership card to practice each day.**

**Again, we are excited to once again host the MUS swim team in our facility. For questions regarding membership, please contact Joe Ball ([jball@ymcamemphis.org](mailto:jball@ymcamemphis.org)), Senior Membership Director.**
