REGISTERED TESTING POOL CRITERIA

Medical & Anti-Doping Commission (MADC)

Any athlete 14 years or older may be selected to the Cayman Islands Registered Testing Pool (RTP) if he/she meets one or more of the following criteria:

- The athlete is present in this country or who is a national, resident or member of an affiliated sports organization of the CIOC, who is eligible to compete for the Cayman Islands at a National level
- The athlete has been included in an International Registered Testing pool
- The athlete receives CIOC/ Government funding or any athlete qualifying for a programme funded directly by the CIOC
- The athlete has been selected to represent the Cayman Islands at any international or regional (Pan American, CAC, CARIFTA etc.) event
- The athlete is under the jurisdiction of the CIOC that it wishes to target for Testing (any athlete associated with doping practices, any athletes for whom reliable information from a third party has indicated possible doping practices, or any athlete who has achieved a significant and unexpected improvement in performance)
- The athlete has officially retired but has declared his/her intention to return to competition
- The athlete has tested positive for a banned substance in the 2 years prior to any given calendar quarter

The athlete will be notified by the MADC upon selection to the pool according to the above criteria. The athlete will be identified and selected on an annual basis for the MADC RTP. Any new athlete that meets the criteria, that was not previously eligible for the RTP, may be added to the pool. Compliance with the MADC RTP is mandatory for eligibility for any international competitions, events or for various programs funded by the CIOC or the Government.
