

Cayman Islands Swimming CCCAN 2023 (SW) Pool Team Selection Process

1. Athletes must have achieved two of the 2022-2023 CCCAN time standards. Those times must have been achieved between 1st June 2022 and 16th May 2023. Given the normal length of time between the start of the meet and the entry deadline for CCCAN there is the possibility that we will need to submit entries prior to May 16th. If that is the case the qualifying period will be closed one day prior to the date entries need to be submitted.

Each athlete must also be in good standing as a member of the 2022-2023 Junior or Senior Team at the time of the CCCAN Team selection meeting. All swimmers from age 11 years and above are eligible and their age will be as of 31st December 2022.

2. Swimmers must have signed the 2022-2023 Representative Team Agreement (“RTA”) and remain in good standing. Team members not in good standing may be dismissed at any time at the discretion of the CIASA Board and/or the CIASA Technical Director.
3. In the event that more swimmers meet the qualifications in item 1 than there are slots available The FINA Points System will be used to fill all CCCAN Team slots. No more than 8 swimmers will be selected per age group per gender. Where more than 8 swimmers are qualified in an age group, slots will be filled by adding one swimmer to the team at a time based on the highest FINA point scores.
4. CIASA will consider selecting relay-only swimmers for the team. If there is a situation where there are at least 3 qualified swimmers in the 13 and over age groups, and there is not an eligible swimmer in a younger age group who could ‘swim-up’, a 4th swimmer could be considered if they have already achieved one CCCAN time standard. This swimmer will be determined by the highest number of FINA points achieved in a freestyle event.

This swimmer would ONLY be eligible for individual events if there are events not already filled by swimmers with 2 qualifying times.

5. The number of final selection slots for swimmers and staff for the 2023 CCCAN team will be based on funding available for the CCCAN Championships.
6. Final team selection will occur on or before May 16th, 2023.
