Chair Comments - John Lynch

- No issues were noted in regard to teams' accessibility to the TeamUnify site:
 https://www.teamunify.com/Home.jsp?_tabid_=0&team=reczzhascil
 John reviewed what documents and information can be found on the TeamUnify site. Teams were asked to review their team emails and contact information to ensure we have a means by which to contact everyone.
- The 2015-2016 Heartland Regional Championship meets were a success. Everyone did well.
- The 2015-2016 Heartland Area Championship meet is believed to be the best championship meet to date since establishing the new Area. It was great to be able to hand out awards at the meet, and the timeline was met without any problems.

The floor was opened for comments and suggestions to improve the meet or timeline.

- Dave Schneider suggested flipping the days in which the 1000s and 1650s are held as a means to help with the timeline. This would mean the 1000s are swam on Saturday, and the 1650s on Sunday. He also suggested moving the 9/10 relays to allow for any 8&Unders who are swimming up to not have to wait the entire session to race.
- Andrea Slaughter noted same with 9/10s swimming up. Potential solution would be to start 11/12 relays first then run events/age groups backwards beginning with 15&overs.
- Mandy Windham noted difficulty with coaches gaining access to posted results. Bob Rettle suggests utilizing storage room on deck as a flowing results room with an AO or other point of contact available for questions.
- Kara Viorel noted difficulty with taking pictures during the timed finals awards.

Solutions discussed include:

- 1. Have swimmers without awards stand behind timers. Allows space behind blocks for awarded swimmers and a clean picture. Concern exists over pictures taken behind blocks.
- 2. Potential podium spot in crash area. Concerns are swimmers making it back to the pool in time for next event.

April Meeting's Minutes (Approval) - Bob Rettle1st; Dave Schneider 2nd. APPROVED

Financial Statement (Approval) - Dana LeVasseur was absent. April financial statement will be tabled until August meeting.

Old Business

- Bylaws No changes made to the Bylaws.
- **Team Registration** Jeanette reminded teams that they need to make certain they register both their team and their coaches with YMCA Swimming and Diving. There was a lot of last minute scrambling to get coaches and teams cleared prior to the Regional and Area meets. Any coaches needing assistance need to see Jeanette.
- Qualifying Meets Forward all meet results and officials' sign in sheets to Patty
 who will ensure they are sent to Kurt for database entry. Please forward them
 within 1 week from completion of the meet. This is in accordance with our bylaws
 section 13.5. Confirmation of received meet results will be posted on website
 under Events.

New Business

- **New Teams -** Two new teams were introduced: Twin Pikes Family YMCA (TPFY) and South County Family YMCA (SCFY).
- 2016 Area Meet Report Several outstanding balances remain. Please remit
 payment ASAP to EDWY so that they can close the books on the meet. Jeanette
 informed teams that she can provide additional journal entry forms to coaches
 should that help with expediting the process.

- 2016 SC Nationals The following coaches/teams reported taking swimmers to the YMCA SC Nationals meet: Nancy (TCAY), Dave (FRAY), Ryan (CMTY), Bob (EDWY). Everyone enjoyed their experience and noted great success for their swimmers.

2016-2017 Qualifying Times

Discussion held regarding concerns and considerations while setting 2016-1017 standards.

- 1. Not enough swimmers to fill the top 16.
- 2. Current standards are slightly slower than A standards. To lower them to a BB standard we would not be able to swim everyone over one weekend.
- 3. Consider adding a secondary cut time, such as BB time, for distance events. Concern is potential of adding significant time to the timeline.
- 4. Current standards for 200s and distance events are too fast.
- 5. How to eliminate call ups? Consider adding top swimmers from database to fill to either top 16 or top 24 after qualifying swimmers are accounted for OR have a secondary cut time to add swimmers.
- 6. Consider creating a Heartland B time by inflating the qualifying time. This time can be used to backfill any open heats after it is filled with the initial qualifying swimmers and the bonus swims.
