

Devil's Lake State Park, Baraboo WI

Address for GPS: 5975 S Park Rd, Baraboo, WI 53913. You want to go to the South Shore, which is closer to Madison.

Closest Airports: Madison, WI (40 miles), Milwaukee, WI (123 miles), Green Bay, WI (142 miles), Minneapolis-St. Paul, MN (236 miles).

Hotels: There are a large number of chain hotels near the Madison airport. There are also some in Baraboo. My advice is to stay near the airport.

Parking: The finish line is at the south end of the lake. There is plenty of parking. You will need a car.

Crews will race from north to south. There is plenty of room to watch from the south shore beach. Be prepared for there to be minimal concessions. The last time, the bathhouse was open but not much else.
