

**Stuttgart Piranhas High School Swim  
Non-Stuttgart High School Student  
PARTICIPATION STATEMENT**

I have read and agree to abide by the policies set forth in the Stuttgart High School Athletic/Extra-curricular Activity Policies Handbook. (The handbook is available on the Stuttgart High School website, athletics page.) I am aware that any violation of these policies may result in disciplinary action up to the point of High School Lettering ineligibility. In this case, I will not earn a Piranhas letter for High School swimming.

I will treat my peers with respect at all times. I understand that hazing of any kind and physical or verbal harassment is not condoned nor accepted on the Piranhas Swim Team. If I participate in any negative behavior, I will be dismissed from the High School Swim Team and lose my right to earn a letter or certificate of participation.

It is my responsibility to help create the most positive environment possible for my fellow swimmers.

This application to participate in athletics and extra-curricular activities is voluntary on my part. It is made with the understanding that I have never received any money or any gifts for participation in athletic or extra-curricular events, other than medals, ribbons, letters, trophies and memorabilia which are usually given. I have never competed nor participated under an assumed name.

As a member of the Piranhas High School Swim Team, I will attend all required practices and scheduled events.

On my own behalf, I will duly monitor and report to the Head Coach and Stuttgart Piranhas High School Liaison any incident by me of infringement of the academic or behavior standards outlined in the Stuttgart High School Athletic Handbook.

Lastly, as a member of the Piranhas High School Swim Team, I will always represent my family, the Piranhas Swim Team, our community, and myself in a positive manner. I will always remember the words of Mr. Alan Parkinson, "If you think it is wrong, it probably is, so don't do it."
