

S.E.A.L.S. SWIM TEAM 2025

Dear SEALS friends,

The SEALS Swim Team is very excited and proud to begin a new season representing Granbury and Hood County. We would like to thank you for your support in the past and request your support again this season. Through these years we have had over 2400 different swimmers be a part of the SEALS Swim Team, some of whom have achieved amazing success in high school, college and even the Olympics!

With the success of the SEALS over the past 32 years, and with the visibility provided by our successful team and alumni, we anticipate another large turnout this season. It is also gratifying to see some of the youngsters who started with us years ago continue to develop and star at other levels, while others return to coach.

Practice for the 2025 season will begin **June 2nd** when the whole team begins training for the four circuit meets, regional meet, and then the state meet for those who qualify. The highlight of the season will be our meet when some 300 swimmers and over 1,000 spectators will come from the Metroplex to swim at our meet. This will be our chance to show off the Hood County YMCA and our steadily improving team. It is also a wonderful opportunity for your local business to market itself to this gathering of visitors, along with the local families who comprise the SEALS Swim Team.

With all the strides we have made, our growth demands continued funding, which is why we are contacting you at this time. We need to pay for pool rental fee, equipment, insurance, staff, and meet needs. In addition, we never want to refuse a swimmer for lack of family funds, and your contribution will truly help us assist them.

Enclosed is a listing of sponsorship opportunities available, along with a letter of agreement. We hope that one of these suits your budget and marketing needs. We will do everything possible to get your message out in exchange for your support.

If you have any questions, feel free to contact Madonna or Janet listed below. Please return your signed sponsorship agreement and check made out to the SEALS Swim Team, or contact Madonna to pick up your packet from your business. The SEALS are a 501C-3 non-profit organization, so your donation is tax deductible. **SEALS Tax I.D. Number is 47-3960039**
