

What do I do if a swimmer or parent refuses to follow the Covid-19 guidelines?

In the event a swimmer or parent refuses to follow the Covid 19 restrictions or guidelines the following details must be actioned immediately by the coach and the parent on the bank (POB).

- **The swimmer/parent will be asked once to comply with the Covid-19 restrictions/guidelines- if they refuse they will be asked to leave the session.**
- **In the event it is the swimmer does not comply the parent will be asked to collect their swimmer and bring them home.**

- **The coach/POB needs to Alert Covid Officer on....**
- **The parent/swimmer will be asked not to return to the sessions until they feel they can comply with the Covid restrictions.**
- **The failure to comply will be detailed as an incident on the Covid Officer log**

The club will continue to strictly enforce the Covid-19 guidance and required restrictions, failure to adhere to any of these will result in removal from the session.
