

Notes for filling out the travel form.

Coaches receive funding at a rate of 1 coach per 8 swimmers at Sectionals, SR Zones, and Futures, and at a rate of 1 coach per 6 swimmers at Juniors and Seniors.

Click on the instruction tab at the bottom first and read through it.

Then click on the Summer meets tab and begin filling out. Make sure you include the check information at the top.

When selecting a cell, if it has a drop down menu for options, select from the options. Entering values not listed in the options will result in errors.

If you have problems in any portion of the form, or questions, please contact Paul Folts or Dave Kilmer at p.folts34@gmail.com or davekilmersigc@gmail.com.

Common issues:

Swimmers must compete in 3 SI meets in the 12 months preceeding the requested meet. **These 3 meets need to be listed on the form, including an event swum at that meet.** (keep scrolling right on the form to list the meets).

CIF does not count as one of the 3 meets or for bonus money.

In order to receive a 25% bonus (Junior Nationals and above) the swimmer must have qualified for that level in a sanctioned SI meet in the last 12 months, and they must have swum in SI for at least 3 years (yes, SI sectional meets count). If a swimmer is applying for this bonus, you need to select "Yes" in column H and **they need to list it as an event for meet 1 in column S.**

In order to receive the 10% IMX bonus, swimmers must have completed **all IMX events in San Diego sanctioned meets within a season** 4/500 free, 200 FL, BK and BR, and 200 and 400 IM. These must be listed at the far right portion of the form. Swimmers may receive the IMX bonus only once per 12 months, and use either the current or previous season to qualify. So 3 short course IMX events and 3 long course IMX events does not qualify.....and meets outside SI do not count.

Here are a few notes for collegiate swimmers:

13.10.2 For college swimmers

- a. If a swimmer has not been registered with SIS for three or more years, swimmer must attend at least 2 SIS meets and will only be eligible for the partial amount 1/3 for 1 year of registration or 2/3 for 2 years of registration
- b. If a swimmer has been registered with SIS for three or more years, swimmer will receive automatic approval if they attend at least 1 SIS meet.
- c. If swimmer does not meet the meet requirement, they may apply for a waiver
