### Where to Park on Clemson University's campus

To avoid receiving a parking ticket if you park on campus, you need to park in a designated lot or to use the meters in front of Fike and walk around. Review the parking rules carefully. <http://www.clemson.edu/campus-life/campus-services/parking/>

We can use only specific lots and one road without permits. We can use lots E-5 and C7 and the spots on Williamson Rd. ONLY PARK IN ORANGE OR GREEN SPOTS. Do not park in the small lot that has the X in it.

If you part in the Metered Spots, you must pay the meter.
