MISSION VIEJO NADADORES

Thank you

As we wrap up our season-ending championship events, I want to send a shout out and hearty “thank you” to the entire Nadadores coaching staff.

Coaching is a profession with a cornerstone laid in a passion to work with children. It is a response to a calling.

Our coaches don’t just coach sports

- They coach people
- They coach choices
- They coach consequences – successes and failures
- They coach respect and humility
- They coach life – in and out of the water

So many parents have told me that it is a coach who has the most influence on their child’s life.

In Mission Viejo we are fortunate to have such a terrific and dedicated staff. So, the next time you have a moment to thank your child’s coach, take the opportunity to do so. It means the world to someone who goes to work each day out of love and not for a paycheck.

Warm Regards,
Michele Mitchell, Ph.D.

**PLEASE SPEAK WITH YOUR
CHILD ABOUT RESPECTING
THE MAC FACILITY,
ESPECIALLY THE
LOCKER ROOMS**

While forgetting to throw away a bottle is one thing, lately, we've had many vandalism problems in the locker rooms, especially the boys. Spit balls on the ceilings, paper towels loaded into toilets which plug them and require an expensive clearing, broken doors, yanked out hooks, etc.

It is a privilege to train at this facility and this type of behavior is not a part of our Nadadores culture. Anyone caught damaging the facility will be held accountable and responsible.

Coach's Corner: Swim Coach Wade

Assistant Age Group Coach Wade Nelson

Coach Wade grew up in Southern California and started swimming at the age of 6 years old. As a swimmer, he competed at all levels of the sport from Junior Olympics all the way up to the 2016 Olympic Trials. In high school, he swam for Golden West Swim Club before he went on to swim in college at the University of Wyoming. Coach Wade swam all four years of college and graduated with a B.S. degree in physiology.

I have been with MVN since February 2020.

The people who have had the most influence in my life are my parents.

My family is ... pretty cool!

In my free time, I like to surf, work out, and watch movies.

My favorite movie is *The Pursuit of Happyness*.

My favorite treat is ice cream.

I love Rock and Indie music.

The best vacation I ever took was to Hawaii.

The last book I read was *When Breath Becomes Air* by Paul Kalanithi.

My first job was a Lifeguard.

The places I have lived are California, Washington, and Wyoming.

My favorite hobby is surfing.

When I was little, I wanted to be an NBA Player when I grew up.

My favorite childhood memory is going on road trips with my brothers.

My favorite event of my adulthood has been hiking in Alaska.

The cartoon/movie/television character that best represents me is: Black Panther.

If I could have a room full of one thing, it would be chocolate.

If I won the mega-jackpot lottery, I would travel the world.

The best advice I could give anyone would be "Help others and always be grateful."

If I knew I could try anything and not fail, I would learn to fly.

I am proud of myself for keeping my house plants alive!
