SafeSport Policies and Procedures

Vision Statement

Over 3 Decade's of placing swimmers in the National Top 10 Rankings.

Our main objective is to offer a comprehensive youth competitive swim team to all of Southern Nevada. We aspire to develop all swimmers from beginners to the elite. Our primary goal is to teach lifelong skills that promote advancement in the sport of swimming and result in healthy and productive lifestyles.

Specific Goals

- 1)** Fostering the positive attributes such as self-esteem, self-reliance, discipline, respect, confidence, dedication, and team pride through our daily training and goal setting.
- 2)** Instilling the importance of a "work ethic" in our swimmers. Our motto is "success comes through hard work and dedication."
- 3)** Promoting leadership and community involvement.
- 4)** Providing an athletic alternative to destructive youth behavior.
- 5)** Preparing our swimmers to excel in college, both academically and athletically.
- 6)** Promoting the ideals of academic achievement as well as athletic achievement.
- 7)** Promoting safe sport ideas during practice, travel and Sandpiper Events.

ALL RIGHTS RESERVED

Please remember that athletes alone do not represent Sandpipers of Nevada; parents are also representatives. Adult behavior is the model that children follow. Common courtesy and good sportsmanship are minimum expectations of parental behavior at all competitions, workout sessions or any other Sandpiper function. If you have any questions about any team policy or Booster Club requirement, please email the Head Coach at usaswimcoach@gmail.com. Undermining of the coaching staff and/or Booster Club Executive Board will not be tolerated. The Head Coach reserves the right at all times to refuse service to any swim team member family or any other individual who does not observe a positive behavioral model for the swimming team and/or Booster Club(as determined by the Head Coach in his discretion).
