

SBSC Volunteer Policy

HOW TO CHECK YOUR SERVICE HOURS

Pre-comp Only – No hours needed

Dolphins – 8 hours

Bronze, Silver, Gold, Sr Development, Sr Blue – 15 hours

***If you have more than one swimmer, the highest hours are to be fulfilled.**

How to check your completed hours:

Log in to your TU Account.

Click on 'My Account' (left-hand column).

Click on 'Billing' and then 'Invoices & Payments'

There will be a set of tabs on the top. Click on 'Service Hours'

The page may look cut-off, depending on what device you are using. If it does, just use the slide bar on the bottom to move the page.

PLEASE NOTE: COMPLETED HOURS WILL HAVE A NEGATIVE SIGN IN FRONT. JUST IGNORE IT! Ex. If you have -33.33 hours, it really means you have done 33.33 hours.

Service hours accrual start date: January 1

Service hours accrual end date: December 31

Please also note: Regardless of completed hours, if you have a swimmer competing in any meet, you are still expected to time. Chairs are assigned to each club based on the number of swimmers from each team.

Per policy, memberships terminated mid-season will be responsible for a prorated amount of hours. All unfilled hours will still be billed at \$50/hour.
