

San Clemente Aquatics (SCA) is a local non-profit organization dedicated to helping the youth of San Clemente to develop a love of swimming through professional coaching with an emphasis on stroke technique. SCA has created a cohesive environment for kids ages 5-19 to enjoy all aspects of competitive swimming.

SCA emphasizes quality in coaching and challenging individual training. This gives our athletes the opportunity to develop a strong work ethic, life skills, athletic ability, and a positive and healthy attitude to achieve their highest potential in a safe environment. SCA is an IM based program, teaching all four strokes, utilizing the latest training methods applied to the developmental stages in a swimmer's career.

SCA is a 501-C3 non-profit organization. We derive our funds from membership dues and fundraising events such as hosting swim meets and our annual swim-a-thon. We use these funds primarily on facility rent, coaching costs, swimmer incentives and social functions for the swimmers. We hold several social events throughout the year to provide a social atmosphere outside the pool environment to encourage team bonding and hopefully long-lasting friendships. Your sponsorship will allow us to update and maintain the equipment utilized by the team and expand the programs and activities we offer our swimmers.

SPONSOR BENEFITS	Gold \$1000	Silver \$500	Bronze \$300
