

Swim APPS & Sites

SUNCOAST SWIM TEAM

suncoastswimteam.com is your website for all your SCST information. Log in here to sign up for meets, view your account, information about our team and coaches, blog and more. This log in will be the same as OnDeck.

REMIND

Remind is used for team communications such as practice cancellations, event reminders, etc. This app allows “texting” between not only the coaches and the team but also between the team members and coaches. To join our “class” text **@4kbg87** to the number 81010 or use click join a class in the app and use the class code **@4kbg87**.

ONDECK

OnDeck is the app for suncoastswimteam.com use the same login you would use to access suncoastswimteam.com. Use this to sign up for meets, view the team news feed, event schedules and to see your account balance. To pay your account balance online or to enroll for auto pay, please use suncoastswimteam.com rather than the app.

MEET MOBILE

Meet Mobile is used for real time meet results. You can follow your favorite swimmers and teams. You can also view heat segues, psych sheets, lane assignments and more when available. There is a free version of this app, however for real time results you will need to subscribe through the app store. \$2.49 a month or \$6.99 annually. This is not generally needed till your swimmer becomes more competitive and you want to keep close track of their times and meet results.

DECKPASS

DeckPass can be accessed by going to usaswimming.org/deck-pass You can see your swimmers times, membership ID, input goals and more. Create an account at USASwimming.org to login. USASwimming.org is also a great resource for USA swimmers, you can find time standards, IMX information, news and more.
