A Time Trial, exclusive of relays, is counted as an event.

Clubs may enter as many relays as desired. However, only two (2) relays per club will score and can receive awards.

Meet Format:

Meet management reserves the right to adjust course breakdown and warm-up times based on number of entries. Meet Management also reserves the right to move an age group to another session based on the timeline and number of entries. Meet management reserves the right to utilize two courses, up to 10 lanes each for competition for any events as described below. Meet management reserves the right to insert breaks in the meet where necessary to allow athletes proper rest.

The host club may request timers from visiting clubs.

The number of timers each participating team is required to provide will be based on a proportion to the number of entries submitted for each session and considering the officials who submit their names before the stated deadline.

When arranging timers, the host team should consider not only the number of swimmers, but also the session in which the teams' swimmers will be attending. The host team is responsible for supplying all other necessary personnel.

If a team does not provide the timers assigned at a championship meet, the team will be fined \$100.00 per session and will not be allowed to enter swimmers in another sanctioned South Carolina Swimming meet until the fine is paid. This can be appealed to the Administrative Review Board and is enforced only if the meet management has properly assigned timers based on the number of swimmers a team has entered in the meet.

The adjacent five (5) lane warm-up, warm-down pool and the unused competition pool will be open at the discretion of the Meet Referee.

Lane assignments for each club will be made for each preliminary session. All SCLSC and USA Swimming safety guidelines will be enforced.

The meet will be conducted according to this meet information and the SCLSC Policies and Procedures. A swimmer that misses their assigned heat will not be entered into another heat of that event unless circumstances are beyond the swimmer's control as determined by the meet referee and the swimmer may be allowed to swim.

Seeding will be done in order of SCY times, SCM times, LCM times then consideration times (when appropriate). Times will not be converted.

All 11-12 and 13-14 events except those noted on the itinerary and below, will be conducted as Preliminary/Final events with two heats of 10 returning for 11-12 and 13-14 in finals. The order for finals shall be B-A for 11-12 and 13-14 events. The championship "A" heat will always be the last heat. The names of swimmers in each "A" Championship Final heat will be announced prior to the start of the event with a swimmer parade to the blocks. The names of swimmers in the "B" heats will be announced while they are in the water.

All 10 & under events will be conducted as timed finals during the Timed Final sessions.

Meet Management reserves the right to utilize two pools for the 500 Freestyle, the 1000 Freestyle, the 1650 Freestyle, and the 400 Individual Medley. If two pools are utilized, they will be contested as described below without alternating gender.

All positive check-ins will close thirty (30) minutes prior to the start of each session.

The 11-12 400 Individual Medley will be seeded slow to fast alternating women and men.

The 11-12 200 Butterfly, 200 Backstroke, 200 Breaststroke, and 500 Freestyle will be conducted as deck-seeded, positive check-in timed final events. The top heat of swimmers in each event will swim during finals.

The 10 & Under 500 Freestyle events will be deck seeded after positive check-in.

The 13-14 400 Individual Medley and 500 Freestyle events will be conducted as Preliminary/Final events. These events will be deck seeded with the top two (2) women heats swimming (slow to fast, circle-seeded), followed by the top two (2) men heats (slow to fast, circle-seeded), and then the remaining heats will be competed alternating women then men, fast to slow. If two pools are utilized for these events, they will be contested as listed without alternating heats women and men as one gender will be in one pool and the other gender in one pool.

The 1000 Freestyle and 1650 Freestyle will be timed finals and 11-12 and 13-14 will be seeded together by combining all ages but scored separately by age group (11-12 and 13-14). In a one-pool scenario, these will be contested fastest to slowest, alternating women and men. If two pools are utilized for the 1000 Freestyle and/or 1650 Freestyle events, they will be contested with one gender in one pool and the other gender in another pool (and therefore not contested with alternating heats of women and men.) Swimmers may be asked to provide their own timer.

All positively checked-in 1000 Freestyle swimmers will swim at the conclusion of the Sunday preliminary session.

Swimmers in the 500 Freestyle, 1000 Freestyle and 1650 Freestyle must provide their own lap counter if they wish one.

All 11-12 and 13-14 relays will compete as the last events of the finals sessions on Friday and Saturday. The 11-12 and 13-14 relays on Sunday will be contested in the preliminary session as the last events before the 1650 Freestyle. All relays will be pre-seeded.

All 10 & under relays will be conducted at the beginning of the timed finals sessions and be pre-seeded.

Relay teams consisting of swimmers not in individual events must meet the relay standard with aggregate times. A fine of \$100 will be levied against the club when a relay fails to comply with this rule. Relay only swimmers must be entered in the meet prior to the meet entry deadline and are subject to all fees. Any relay only swimmers not entered in the meet by the entry deadline are not permitted in the meet.

Scratch Rule:

Coaches with swimmers entered in more than three events per day must scratch a swimmer from the excess events. This needs to be done by the start of warm-ups for each session. Coaches are encouraged to not over enter swimmers.

There will be no penalty for not swimming in the seeded preliminary events or relays; it would be appreciated if a coach would inform Clerk of Course of any swimmers or relays scratching from the meet (SC Swimming Policies and Procedures XI.B.15.c).

The penalty for missing a deck-seeded event will result in being barred from the swimmer's next individual event. (SC Swimming Policies and Procedures XI.B.15.d)

Any swimmer qualifying for a final in events in which preliminaries and finals are competed, who fails to swim in that final, shall be barred from all further competition for the remainder of the meet.(SC Swimming Policies and Procedures XI.B.15.e).

Exceptions for failure to compete – no penalty shall apply for failure to report or swim an event if (1) the meet referee is notified in event of illness or injury and accepts the proof thereof, (2) a swimmer qualifying for a final based upon the results of preliminaries notifies the meet referee within thirty (30) minutes of the announcement of the qualifiers for that final event that they may not intend to compete and further declares their final intentions within thirty (30) minutes following their last individual preliminary event, (3) a swimmer qualifying for a final event, as a result of scratches following announcement of the qualifiers based upon the results of preliminaries or failure of a qualifier to swim, or (4) if it is determined by the meet referee that failure to compete is caused by circumstances beyond the control of the swimmer'

Swim Offs:

It is the responsibility of coaches and swimmers to check for ties leading to swim-offs. Swim-offs will be swum immediately following the preliminary session or not more than 45 minutes after the last heat of any event in which any one of the swimmers is competing in that session. Any swimmer absent for a swim-off will be dropped to the lower place.

Time Trials:

Time Trials will be conducted after preliminaries, at the end of the afternoon session and/or after finals at the discretion of the Meet Referee. On the final day of the meet, any event longer than 500 yards will *not* be available for time trials. Time Trial fees must be paid upon entry at the Clerk of Course. Each swimmer in a time trial is required to provide their own timer.

Time of the Meet:

All preliminary competition warm-ups will begin at 7:00 AM. All preliminary competitions will begin at 8:30 AM.

All 11 & older finals warm-ups will begin at 5:00 PM. All finals competition will begin at 6:00 PM.

Meet management reserves the right to adjust warm-up and meet start times based upon the number of entries and timeline of the meet. Clubs will be notified of any changes in the timeline via email.

Entries:

Entry Deadline: *All entries must be received by 5:00 PM, Monday, February 10th, 2025.*

SC Swimming does not accept deck registrations. All swimmers entered must be registered at time of entry deadline.

All times must be listed to the 1/100th of a second. Entries must be submitted using a South Carolina State Meet Qualifying Short Course Yards, Short Course Meters, or Long Course Meters time. Times must have been achieved on or after January 1, 2024, and prior to the entry deadline.

For all individual events, proof of time is necessary. Entry times will be checked against the SWIMS database. For these events, TG Timing will provide the LSC with a printout of the times that will need to be proved prior to the seeding of the meet.

In all SCLSC Championship Meets, nonconforming time entries shall be sent to the club by electronic mail (e-mail). The club shall have the opportunity to correct the entry if done so within 24 hours from the email time stamp.

The multi-age group events will be set up with different event numbers for each age group. Swimmers should be entered in the correct age group. The events will then be combined in the meet manager software and the events will be contested as specified in the meet information. This will allow for the verification of the entry times for each swimmer in each entered event.

The meet host of the SCLSC State Championships shall post a preliminary meet psych sheet within 72 hours following the meet entry deadline (*Monday, February 10th, 2025.*). Coaches will then have 48 hours upon notice of the posting to review the psych sheet and notify the hosting club of any corrections. Coaches cannot change athlete's events or times once entries are received by the host club (except as currently stated in the P&P where non-conforming times can be changed within 24 hours of notification by the host club to the athlete's coach). Only omissions can be corrected at the published cost of the event.

Additional individual entries will be accepted after the entry deadline (*February 10th, 2025*) for times achieved between the entry deadline (*February 10th, 2025*) and the following Sunday (February 16th 2025). New qualifying events for existing entered swimmers are allowed. Updated qualifying times for events previously entered for swimmers are not allowed. *All new qualifying time entries must be received by 5:00 PM, Monday, February 17th, 2025. Coaches must present meet results (prove times).*

Late entries for any team or athlete missing the entry deadline will be permitted. The team or athlete must pay a one-time processing fee of \$150.00 and pay entry fees at double the regular entry fee. All late entries will be processed manually. Coaches must present meet results (prove times) with all late entries *by 5:00 PM, Monday, February 17th, 2025.*

Clubs should submit a single check payable to Team Greenville for the full amount due. All fees must be paid prior to any swimmer entering the pool. Entry fees for events not swum will not be refunded nor will a credit be given.

Please use the swimmer's full name, age, and sanctioned short course yard, short course meters, or long course meter times. Only entries using Standard Data Interchange (SDIF/SD3) format will be accepted. Clubs or individuals not submitting entries electronically will be subject to a \$10.00 per swimmer entry surcharge. Go to www.hy-tek.com to download Team Manager II Lite if your club does not possess club

management software. You must submit a paper (pdf) back-up and your signed club summary sheet for verification.

Mail the completed meet entry summary sheet, check, and hard copies of entry summary to:

This fine must be paid (or the time must be proved) within 45 days from the date of notification. If the fine is not paid within the 45 days, it will be doubled. This notification will be made through an exception report that will be generated by the host club and sent with the meet results. The Administrative Vice-Chair will enforce the fines. If swimmers participate in a relay, and the relay fails to meet the qualifying standard, their club must demonstrate that the aggregate of the times of the four competing swimmers meets the relay qualifying standard.
