

# COLLEGE RECRUITING 101

## Basic Things to Note:

- Make a new email specifically for recruiting
- USE SWIMCLOUD

## EMAILS

- Stay on top of them
- Make folders
- Reply to coaches

## CALLS

- Take notes
- Be active
- Ask lots of questions

## Visits vs. Recruiting Trips

- Big difference between the two
- Try to meet the coach on the visit, see facility, walk campus
- You **HAVE** to be invited to a recruiting trip
  - meet the team, spend the night, watch a practice

## Talking to Coaches

- Have a list of questions to ask either through email or phone call
- Have an intro email written

## NCSA

- Easy way to connect with coaches
- Makes it easier for the athlete

## Doing it Yourself

- Have more control over the recruiting process
- Send out emails on your own time
- Could create more personal relationships
- Free

## SWIMCLOUD

- Best place to find info on schools
- Pay the \$29 for a varsity account
- Don't send emails thru the website

## HAVE FUN!!

You (hopefully) only get to do this once in your life. Enjoy the process! You will make a great decision for your future!! Remember, there is a school for everyone to swim at!
