

Financial Obligations for CSA families

NO team fundraising events. NO volunteer service requirement

Cullman Swim Association bills on a monthly cycle September through February. When you register your swimmer, you are committing to paying the program fees unless a 2 week notice is given to end participation.

Returning families must have a zero balance in their account to register. Registration fees are non-refundable. A 3% service charge will be applied to all credit card charges.

#High School Supplemental is an option for students participating in a High School sport during swim season on Wednesday evening.

*This is once per season CSA Registration, achieved through our Team Unify online platform. Every swimmer must register and then be placed in a training group. A team shirt is included for your swimmer when you register. The first and second swimmer in a family is \$60, and subsequent swimmers are \$30 each.

**Monthly dues are billed through your secure Team Unify account created during registration September through February. Each monthly draft will also include any meet fees or merchandise purchased from the previous month. The preferred method of payment is a stored credit or debit card in your secure account. Late fee is applied if payment is not received by the 5th of the month. Multiple swimmers in a family will receive a discount on monthly dues. NEW: A 3% service fee will be automatically applied to credit/debit card charges.

***USA swimming registration is now done by parents. There are several options available, from the Outreach program-\$5 to Premium membership-\$86. These options will be addressed when it's time to register or renew. Non-renewals will not be allowed on deck, in accordance with USA Swimming guidelines. Outreach swimmers have ½ price monthly dues with CSA.

****CWAC non-member families pay \$25/month in addition to the monthly fees.

*****Meet fees vary from meet to meet. We also add a coaches' fee of \$20/swimmer (\$24/swimmer for 3 day or prelim/finals meets). Championship meets (SES, Best of the South, NCSA) will have a \$35 Coaches fee to offset the travel expenses.

#Participation in meets is expected but not required.
