Huntsville Swim Association bills on a monthly cycle. Upon registration, participants (except for those in Discovery 1, Endeavor 1, Apollo 1, and Voyager 1) commit to paying program fees until a written, 30-day notice is sent to Team Administrator, Lori Daniel, to end membership. You are obligated for these fees until you cancel participation. Swimmers in Discovery 1, Endeavor 1, Apollo 1, and Voyager 1 will be obligated for the full sessions that they register for. Session 1 will bill October 1 and November 1. Session 2 will bill January 1, February 1, and March 1. Session 3 will bill April 1, and May 1. Dues and Fundraising obligations are subject to change.

** 1st Swimmer is at full price, 2nd Swimmer is 10% off Monthly Fee (without water fee), 3rd swimmer is 20% off Monthly Fee (without water fee), 4th and more swimmers pay no monthly fees. USA Swimming Registration Fee and the HSA Registration Fee are both payable for every swimmer and are not pro-rated.

Monthly Dues are drafted on the 1st of each month (*with the exception of August, which is a ½ month pro-rated fee and will be charged along with the September fee on September 1st*) via HSA's secure SportsEngine Online program. Each monthly draft also will include any meet fees and other charges from the previous month.

HSA Registration Fees are due upon joining HSA and in return your swimmer will receive two t-shirts and HSA team caps. Swim Caps will be replaced within reason throughout the season. Those that participate in championship meets will also receive additional t-shirts.

USA Swimming Registration Fees for new swimmers will be paid directly through the USA Swimming website. Beginning September 1st, HSA will send out team specific links for each new family/swimmer to create an account with USA Swimming, and register their swimmers directly with them. If you are a returning swimmer to HSA, or a transfer athlete from another USA Swimming team, HSA will handle the USA Swimming registration and bill your account in November. Members registering for the Explorer 1A/1B, Discovery 1, and Endeavor 1 groups will register for USA Swimming's Flex Membership. All other groups will register for USA Swimming's premium membership.

Fundraising and Volunteer Obligations are being evaluated by the Board of Directors and will be announced soon.
