

How to Register for USA Swimming:

1) Create a “Parent Account” if you don’t already have one. Only returning swimmers and swimmers who are coming from a different USAS club team will already have one.

Click the link to create your parent account : <https://hub.usaswimming.org/>

-Please click the link for STEP BY STEP instructions on creating the PARENT ACCOUNT:

If you are needing help through the process of adding your swimmer/s onto the Parent account, use the link below for more STEP BY STEP instructions on adding members.

The FINAL step in registration is payment. You will receive an email confirmation with a receipt informing you of your payment.

This has to be completed by ALL swimmers by Sept. 20th! You cannot compete in any swim meets (except the first one) until this has been done.
