Panama City Swim Team Families,

As approved in the Panama City Beach City Council meeting November 12, 2020, there are several fee changes directly affecting Panama City Beach Aquatic Center. In an effort to prepare for these changes, a brief review is available here. If you have questions, please direct them to the Aquatic Center office in person or by phone, or email Marydale Moore directly at mmoore@pcb.gov for a prompt response.

Effective January 1st, 2021 all spectators will be subject to an entry fee to enjoy Panama City Beach Aquatic Center. However; understanding the frequency of swim team activities, there are several options outside of paying an entry fee every time you bring your swimmer to practice.

PCST swimmers have been amazing presenting their badges at the gate for entry! Beginning January 1st, 2021 each swimmer will be issued a scannable card to swipe upon entry effectively replacing their current swim team badge. This card will allow them to gain access to PCST practices and PCST hosted meets held at PCB Aquatic Center. There is no cost for the swimmer swim team badge.

For PCST swimmers continuing in 2021, please stop by the Aquatic Center office anytime during business hours **prior to December 17** to establish your family account. Establishing your account now will save a LOT of time in January! As of January 1st, no entry will be permitted without collecting a daily entry fee, verifying your membership, or presenting a Swim Club Spectator or Swimmer Pass. Your cooperation establishing your family account early is appreciated!

Thank you,
