

FUNDRAISING

SBA is a non-profit swim team that runs primarily on monthly fees from the general membership. In order to keep the monthly fees as low as possible, SBA hosts swim meets and small fundraisers throughout the year. Fees and donations collected throughout the year are used to help defray pool costs, purchase and maintain team equipment and keep monthly fees at a reasonable rate.

PARENT BOOSTER MEETING - RESTAURANT FUNDRAISER

Each quarter SBA has a parent booster meeting and generally a restaurant fundraiser is organized after the meeting. These fundraisers are completely voluntary.

SWIM-A-PALOOZA (MANDATORY FUNDRAISER)

Once a year (generally in mid August) SBA hosts a USA Swimming sponsored Swim-A-Palooza. This is the **one mandatory fundraiser** for our team. All active swimmers (year round and seasonal) are required to participate. Depending on the age, **EACH SWIMMER** is required to raise a minimum amount. The amounts are \$150 for 12 and under swimmers and \$200 for 13 and over. Swimmers not participating will be billed the difference up to the required amount.

More information is available during the fundraising campaign.
