

SDAC Motivational Patch and Tag Program (rev. 11/29/2010)

In order to recognize the achievements of our age group swimmers, the SDAC Booster Club will be initiating a “Motivational Patch and Tag Program.” Modeled after a program developed by ASCA (American Swimming Coaches Association), swimmers can earn a patch for a specified time standard in each of the competitive strokes and individual medley events.

Who is eligible to participate in the program? All SDAC swimmers in the following practice groups: Age Group Development (AGD), Age Group Performance (AGP), and Age Group Elite (AGE).

How is the program structured? There are 3 age group categories: 10 and under, 11/12 yr old and 13/14 yr old. Each participating swimmer will receive a carabiner (clip) and a round age group patch corresponding to their age. Then, they can earn chevron patches by achieving the specific time standard for each qualified event.

Patches can be attached to the carabiner and clipped to the swimmer’s swim bag, or they can be sewn to the swimmer’s parka or other garment. Below is a picture of the carabiner with the patches attached.

Which time standards will be used to administer the program? We will be using the 2009-2012 Motivational Time Standards, as shown in the attachment to this document from USA Swimming.

For patches, we will be recognizing “B,” “A,” “AA,” “AAA,” and “AAAA” times.

Which events will be awarded for patches? For cost purposes and ease of administration, we will be awarding patches for each competitive stroke (regardless of distance). For example, a swimmer would receive a “B” Freestyle patch for achieving the B time in the 50 free, regardless of whether they have achieved the B time in the 100, 200, 400, 500, etc. In other words, 1 patch per stroke will be awarded for a given time standard.

Will they get patches for both long and short course seasons? No, swimmers will only receive a patch for achieving a time standard once, regardless of which season it was achieved.

What about “A” and “B” times for 8 & under swimmers? Will they get patches for achieving 8 & under “B” and “A” times? No, unfortunately, the program begins with 10 and under time standards. Of course, if an 8 yr old achieves a “B” or higher time for the 10 & under standard, that swimmer will earn a patch!

However, we certainly don’t want to leave out our youngest swimmers! So, for 8 and under swimmers, we will award a dog tag for each competitive stroke if they achieve a “B” time , based on our LSC’s 8 & under time standard. This time standard is attached to this document.

How will the swimmers receive their patches/dog tags? Each swimmer who would like to participate in the program needs to print out their times from the USA Swimming website: www.usaswimming.org. This will give us a baseline for which patches each swimmer has earned so far.

Since we are starting this program, each swimmer can only earn one patch per event in their age group. For example, if an 11/12 swimmer has a “AA” time in the 100 freestyle, they will only receive the “AA” patch; they will not receive the “B” and “A” patches for the 100 freestyle, even though they meet those standards. Of course, if that swimmer later achieves a “AAA” or “AAAA” times, they will be awarded those corresponding patches.

Once we have everyone’s starting point, the swimmers can start earning additional patches for improvements in their swimming. For example, a swimmer may have competed in a meet and earned a “B” time in their 50 fly, 50 breast, and 100 IM, and earned an “A” time in their 100 back. After the meet results are posted, the swimmer needs to return to the USA Swimming website and print out their new best times. Then the swimmer needs to write a short letter to their coach stating they would like 3 “B” patches and 1 “A” patch for the qualifying events, with the print-out of their times attached.

At the end of each month, we will host a small party on the pool deck and award the patches to the swimmers for their outstanding improvements!

Information to Include in your Patch Letter

After each meet, if your swimmer improved to a higher time standard, your swimmer may request the patch for that swim. The way they do that is to write a letter to their coach with the following information and bring the letter to practice and give it to the coach. For example, if your 100 free time improves from “A” to “AA” and you would like a patch, write a letter with the following information:

Swimmer’s name

Swimmer’s age at the time of the swim

Event and time achieved (ex. 100 free time of 1:05.31)

Meet and Date of swim (ex. SBA A/B meet, Jan. 12, 2011)

Time Standard Patch Achieved (B, BB, A, AA, AAA, AAAA)

Each patch request will be verified prior to the patch being distributed.

If you age up to the next age group, please wait until the first swim meet is completed in that age group to submit your letter for patches and the age group patch.
