

## March 29, 2016 Officials Report

Here is a little review about the status of some of the potential Officials who have attended a clinic in the swimming year 2016, starting in October of 2015, and have not completely finished their requirements.

**New "Trainees" who have attended a 2016 clinic and paid their USA Swimming membership fee of \$60 and did nothing else:**

14 potential Officials have spent \$60, but haven't started any of their certification requirements. **REMAINED THE SAME, SINCE MARCH 1, 2016.**

**New "Trainees" who have attended a 2016 clinic and paid their USA Swimming membership fee of \$60, paid \$36.50 and completed their Background Check and then did nothing else:**

4 potential Officials have spent \$96.50, but haven't started their APT; six deck training sessions or the completion of their online test. **DOWN ONE, SINCE MARCH 1, 2016.**

**New "Trainees" who attended a 2016 clinic and paid their USA Swimming membership fee of \$60, paid \$36.50 and completed their Background Check, completed and passed their online test and then did nothing else:**

1 potential Official has spent \$96.50, but hasn't started their APT or six deck training sessions. **REMAINED THE SAME, SINCE MARCH 1, 2016.**

**New "Trainees" who attended a 2016 clinic and paid their USA Swimming membership fee of \$60 and passed their online test and then did nothing else:**

2 potential Officials have spent \$60, but haven't started their APT, Criminal Background Check or six deck training sessions. **REMAINED THE SAME, SINCE MARCH 1, 2016.**

**New "Trainees" who only have to complete their six deck training sessions:**

22 potential Officials have spent \$96.50 and still have their six deck training sessions to complete. **DOWN FOUR, SINCE MARCH 1, 2016.**

**New "Trainees" who only have to complete their six deck training sessions and online Certification Stroke and Turn/Timer test:**

20 potential Officials have spent \$96.50 and only have their six deck training sessions and online test to complete. **DOWN THREE, SINCE MARCH 1, 2016.**

The Online Testing Site on the USA Swimming website, will be shut down from April 15<sup>th</sup> to May 1<sup>st</sup>, so that all the questions will be aligned with the 2016 Rulebook. If you have not finished a previously started test by April 14<sup>th</sup>, the test will be deleted and you will have to start all over on May 1, 2016.

Some High School League Championships will need to have applications for "observation" in order for these swum high school times to count as USA Swimming times. Check out the April Officials Newsletter for more details, but remember, the Meet Referee has to have in Bill Rose's hands, the application for "observation" at least 10 days before the meet is to take place.

There is now one Stroke and Turn Clinic on the calendar. This clinic will be hosted by the Wolverine Aquatic Club and will be held at the Sierra College Roseville Gateway Campus, 333 Sunrise Avenue, Roseville, CA 95661 on Thursday, April 14, 2016.

Out of the 299 people who have attended our offered 2016 Clinics since October of 2015, nine are Administrative Officials only, sixty-five have not completed their training requirements and two hundred and twenty-five have become certified Officials for the current swimming year.
