Background/Discussion:

Pacific Swimming Diversity Camp November 2015

Frannie and I are planning to attend this camp to learn from it. See how it operates.

Pacific Swimming is holding this annual camp in San Francisco, on Sunday November 8th.

This camp is for athletes 11-16 years old.

It will be held at the MLK Pool in San Francisco, location for the last two years.

Pacific swimming would like to ask us that SN swimmers know about this event, so that they can consider attending.

Last year, we also held a "Diversity Summit" for adults who are interested in diversity issues and efforts. We will likely offer the same again this year.

The camp It is just one day. Roughly 8:00 to about 5:00. Cost is typically \$10. We have no selection process. We take all who want to participate. We just ask that the register in advance. We will have a session for adults who want to learn more about diversity programs.

Moving forward: The plan will be to host a similar camp in SN.
