The Sierra Nevada Board of Directors has approved **Emergency Grant Funding** as a way to offer economic aid to ALL Member Clubs in Sierra Nevada Swimming during the COVID-19 situation.

Grants will be distributed to Member Clubs that were active on February 29, 2020. The basis of the Grant for each Member Club is \$20 per registered swimmer using current registration numbers. For Summer Member Clubs, registration numbers will be based on 2019 registrations as of August 31, 2019. (Please view \$20 per swimmer Grant Report)

Three (3) months of Grants were approved for April, May, and June 2020 which each Member Club is eligible to receive, provided certain conditions are met. Grant Funding will be sent on the 10th of each month.

Taking into account the varying starting operations dates for our *Summer Member Clubs*, the start of their conditions schedule would be designated by the month they submit their <u>Club Financials to the LSC</u>. At this point, a Summer Member Club would become eligible to receive the first of three (1st of 3) Grants Funds on the 10th of that month. The condition of completing and submitting a <u>USA Swimming Safe Sport Club</u> <u>Recognition Program</u> would need to be done by the following month in order for a Summer Member Club to be eligible for the second Grant Fund. In the subsequent month, a Summer Member Club would need to Complete the next applicable Level of the <u>USA Swimming Club Recognition Program</u> to be eligible for the third Grant Fund.
