

SIERRA NEVADA SWIMMING

Outreach Membership

What is the Sierra Nevada Swimming Outreach Membership?

Outreach membership is a program, which offers the USA Swimming registration fee of \$5.00 with \$2.00 additional fee to Sierra Nevada Swimming. This membership operates like the traditional USA membership and is valid from September 1, 2019 to December 31, 2020.

How can a swimmer qualify for an Outreach Membership?

To qualify for the Outreach Athletic registration, the athlete's family must meet the eligibility requirements of one of the following:

- Calworks
- Covered California/Medi-Cal
- Homeless Coalition
- Family income at or below state poverty level
- Individual Free School Program
- Section 8 Housing
- Snap

Application form can be found on the SN website. Please have swimmer or swimmer's family attach paperwork showing qualifying for one of the aforementioned programs to the application.

In the short term, my goal is to aggressively increase the Outreach Membership for our LSC. If you have any questions regarding the outreach membership or want to reach out to me more generally in support of my efforts to increase diversity and inclusion, feel free to email me at justinlomas92@gmail.com

Best Regards,

Justin Lomas (707) 372-0837
Diversity & Inclusion Coordinator
